Mid-Decade Census Opens In January

A Mid-Decade Census will soon be conducted in Placentia, as part of a county-wide effort to contact every home in most cities of Orange County.

Beginning soon after the first of the year, evaluators will go door to door in an attempt to update the present census count.

The importance of the tally is based on the fact that various kinds of revenues are paid to the county and city by the state in congruence with population count. Increased population means increased state subventions, Ralph Diedrich, Chairman of the Orange County Board of Supervisors and representatvie for this area, pointed out this week.

Currently, population estimates are made by the California Department of Finance updating the 1970 count, but this is done only for five years. Without a new census, cities and the county would continue to receive revenue based on the 1975 estimate until the federal 1980 census is conducted.

"An extensive amount of revenue will be lost without this special census," Supervisor Diedrich emphasized.

The census questionnaire will include such basic questions as type of housing, age and sex of occupants. Census workers, also, will make additional inquiries to assist in determining what services are essential to better serve the residents of Orange County, a county spokesman explained.

The correlation of basic demographic and socio-economic data is needed for city and county planners, statisticians, and social scientists to anticipate growth patterns, it was pointed out.

A wide range of up-to-date information is important for planning efficient delivery of governmental services, land use, educational facilities, economic analysis and other community concerns.

Supervisor Diedrich emphasized that most of the questions to be asked will be valuable to government in planning and programming, but need not be answered if the citizen feels he should not do so.

Questions concerning the number of people who live in the dwelling and their age and labor force status, however, are of great importance to the entire community when compiled into the final census totals, he stated.

Official census workers will wear identification badges with a city or county seal clearly displayed. Approximately seven hundred and fifty people will be recruited by the county to conduct the census in the unincorporated areas of the county as well as the cities of Garden Grove, Buena Park and Los Alamitos. The other cities will each conduct individual recruitments to hire the necessary number of enumerators required in their respective cities.

It is suggested that persons interested in employment apply in the city where they reside (although this is not a requirement). Personnel departments in cities as well as the county will begin accepting applications on December 1, 1975. The salary will be $2.35 an hour.

Add Service To Bus Route

At the request of the city of Placentia, the Orange County Transit District Board of Directors has approved the re-routing of Route 69.

Bus service will be returned to Bradford Avenue to better service the Senior Citizens' Club, Santa Fe and Central City residents. In addition, bus service will be available to all City residents who wish to travel to the Civic Center, City Hall and Library.

North City residents may board Bus 69 along Yorba Linda Boulevard or transfer from Bus 43 at Kraemer and Yorba Linda Blvd. to Bus 69 in order to reach the City Hall and Library.

The new bus schedule for Route 69 will go into effect on February 6, 1976. Maps and schedules will be available prior to bus service implementation.

Powell Talks On Russia

Edwin T. Powell, City Administrator for the city of Placentia, who recently returned from a tour of Russia with Mrs. Powell and City Councilman Robert Langer and his family, will conduct a verbal and pictorial tour through the experience, the Placentia Chamber of Commerce said this week.

Powell will be speaking at the chamber's regular monthly luncheon meeting at 12:15 p.m. Thursday, November 20 at the Alta Vista Country Club. Reservations are appreciated and can be made by calling the chamber office at 528-1873.

The tour will include such points of interest as the Red Square, the Kremlin, Moscow and Lenningrad, the chamber reports.

Photo Change

Clubs, organizations, schools or any group desiring photo publicity in the Wednesday, Dec. 3 edition of this newspaper should arrange to have photos taken by the Star-Courier photographers on Tuesday, Nov. 25. The normal photo assignment day of Thursday will not be observed on November 27 due to the Thanksgiving Day holiday. The usual photo assignments will be accepted for Friday, Nov. 28. For photo reservations call 528-7080 or 528-2525.

Good Clean Fun

HERE COMES THE SUDS- And who is this playing Sock It To Me..? None other than Placentia's Police Chief, Norman Traub. Proving that their aim is true, youngsters lined up at Golden Elementary School's recent carnival for the privilege of Sponging the Police Chief and other dignitaries, who contributed their time and talents to the worthy cause. In the picture above, the Packers No. 2 man, waits sponge in hand for his turn, as a well soaked missle sails on its way. Below, Councilman Robert Langer, who also took his turn as the target, helps a fellow Sockee in distress. Just how the two volunteers got into such a predicament might be explained by the fact that Mrs. Norman Traub is Golden Elementary Schools PTA president sponsors of the carnival, and Mrs. Robert Langer teaches first grade at the school.

Builder Takes Zoning To Court

A decision, which has won great favor with homeowners in a tri-city-county area north of Imperial Highway in the vicinity of Rose Drive, has now threatened the Placentia City Council with possible contempt of court.

The court case is related to zoning on an 18-acre parcel, partially developed in agricultural estates, ranging from three-quarters of an acre to 1½ acres each, in the Imperial-Rose vicinity.

The area at one time was in Orange County, but came into the city of Placentia in annexation, on a vote by property owners who have since testified before city bodies here, that they were told, zoning on the property, exclusive of the acreages, would be single family residential.

The city council, after the property was annexed, placed a zoning of R-3 PUD on the land not already developed. This they believed, they have since stated, would permit building between eight and ten units to the acre. The acreage was later acquired by Fredricks Development Corporation of Anaheim, a subsidiary of Pacific Lighting Corp. of Los Angeles, one of California's largest developers of apartments and single family homes.

Fredricks, interpreting the zoning as permitting high density apartments proceeded with plans to build a 25-unit to the acre, 268-unit high density development adjacent to the rural homes. Homeowners in the area, when advised of this, objected loudly.

The sharp disagreement on zoning interpretation has led to a series of hearings over the past year in both the planning commission and the city council, as property owners in Placentia, Yorba Linda, Brea and the county, pressed for residential zoning...also necessitating a change in the city's general plan.

The most recent decision by city council, has placed the entire parcel in an R-A, agricultural residential estates, zoning, to a chorus of

Hope Ebbs For Bradford Home

Hope of saving the Bradford House, the two story green frame structure on Palm Drive between Kraemer Boulevard and Bradford Avenue, appeared to be dissipating this week.

Citizens groups who have worked for several months to save the heritage house, indicated this week that they are still short of their goal and are running out of time.

The city's Recreation and Parks Commission also has approved plans for a Bicentennial-theme Park on the grounds around the Bradford home, excluding the house. Both the grounds and house are presents to the city of Placentia from Bradford family members.

A deadline for developing the grounds, either with or without the home intact stands at July 1, 1976...a short space of time for park development.

Saving the two-story home, which has an attractive interior of carved wood and marble fireplaces has been the particular project of the Placentia Founders Association.

Mrs. Sylvia Hoskins, President of the group, stated that her organization has virtually given up hope of restoring the structure to the code acceptable for its use by the public. The organization has conducted various fund raisers to provide for the necessary alterations.

Also a recent attempt to turn the building into a Placentia cultural arts center has not met with complete acceptance by all parties involved in the project. Among Problems, if the house were restored, brought up to code and used extensively as a center, could be the amount of traffic, noise and dirt engendered for the row of expensive houses which face the park. Ingress, egress and parking would have to be somewhere in the general area of the homes.

After several discussions of the problems, the Recreation and Parks Commission has approved plans for

Dog Near Kraemer Declared Vicious

A female boxer dog, named Primo, the property of Robert Borgerson, 525 North Angelina Drive, Placentia, has been ordered chained and muzzled and declared vicious, the Orange County Animal Shelter reported this week.

The home, where the dog lives, is adjacent to Kraemer Junior High School playgrounds and playing fields. The dog allegedly has dug out underneath the fencing around the home and accosted students and teachers.

The Animal Shelter stated this week that the animal has reportedly bitten teacher Robert Walthers at the school on the right hand, and accosted students, Hugh Peirce of staff and Head Counselor Albert Perales.

"She must be kept confined behind an enclosure, as well as the other restrictions observed," Animal Shelter authorities stated in their report.

Cecil Hicks Will Speak

The "Shadow Government" of Orange County, will be the subject of a talk by Orange County District Attorney, Cecil Hicks, when he addresses members of the Placentia-Yorba Linda Republican Assembly at Rembrandt's Restaurant, Placentia.

The meeting, open to the public, will convene at 7:30 p.m. Wednesday, November 19, with a no-host social session starting at 7 p.m. There is no admission charge.

The District Attorney's office has been actively investigating corruption at various levels of Orange County politics and government, Andrew Alberti, Jr. of the county GOPs reports.

Shh! There's Something Going On Here Behind Closed Doors

Photo by Gary Ambrose

Santa's North Pole Workshop opened a southern branch this week.

Changing little in appearance, but suddenly bristling with secret new activity, is the woodwork shop at Valencia High Shool where classrooms of Santa's Helpers are now engaged in a high security project.

In the next few weeks, hundreds of hand made pull toys will start rolling out of the shop in plenty of time for Christmas, head Santa workshop foreman and teacher, Chuck Allen confirms.

This is the third year that the volunteer workers have organized their secret project to supply toys for youngsters who might otherwise have nothing for Christmas.

The toys, made out of scraps of lumber from other projects, require no expenditure, but tax the creative aptitudes and the production line skills of the young Santa Shop workers.

The attractive products of all this activity will be distributed in Christmas baskets going to every needy family in the area, to provide a Christmas dinner and some additional Christmas cheer for youngsters.

The baskets and other Yuletide remembrances are the annual project of the Placentia Christmas Clearing Bureau, organized ten years ago by the Placentia Round Table and contributed to by about 30 organizations.

Last year the Clearing Bureau remembered 245 needy families. Santa's Headquarters this year, for those who would like to help, are located in the old City Hall Annex on the west side of Bradford Avenue, just south of Chapman Avenue. There the big operation is being supervised by co-chairmen Mrs. Jack Christensen and Mrs. Carl Czaplinski. Anyone who would like to assist in any way can call either 528-6791 or 528-1997.

WITH SPECIAL CARE, Tony Rangel [above] prepares to shape a wheel on his drill press. A multitude of wheels will be turning in this special Santa Workshop as four different toy models are reportedly coming off the Yuletide assembly line.

JUST RIGHT--Working on a top security project, Mark Lopez [picture on the left], carefully forms wheel wells on a car body. Just what's going on is inside information and nobody's talking until after Christmas.

Letters To The Editor

Chief's Act Appreciated

Editor
The Placentia Courier

This is being written as a follow up to our letter regarding local police procedures being used to apprehend and detain local teenagers. We felt that the methods did not necessarily fit the crimes.

Police Chief Traub called us tonight to discuss the procedures which his officers used, and to advise us to file a complaint when we felt misused by the police. Our conversation opened up several avenues of discussion, and took up a large chunk of Chief Traub's precious time. He phoned again later to advise us that he is investigating the possibility of apprehending non-felon high school students without the use of handcuffs. This appears to be a positive step in restoring and building respect between the local police and our teenagers.

We appreciate Chief Traub's taking the time to personally call us and would like to publicly thank him for his efforts.

Dear Gertrude and Members of Unit #277:

Thank you so very much for your check in the amount of $200 which will be used to purchase a Stimulator for the relief of pain. This is a much needed item, as it makes the patients more comfortable without the use of drugs. It is particularly valuable for use by Spinal Cord Injury patients.

We do appreciate the help you receive from the school children of Placentia. How good it is that they can learn that others have needs and that everyone can do something for others to make a better world.

Thanks so much for remembering our needs here at Long Beach VA Hospital. Without Units such as yours, our work here would be much curtailed.

Sincerely,

RE: Betty Mead

Dear Sirs:

It is so refreshing to be able to respond in such a positive way to an article in your paper. About three weeks or so ago your reporter, Betty Mead, attended a meeting of the Tri-City Park Authority to report the happenings that occurred. We made a presentation that lasted nearly two hours for the Authority (which consists of Brea, Fullerton and Placentia).

A friend of ours saw the article and sent us a copy of it. We can't express strongly enough how pleased we were with the factual detail which was reported. So many times after a presentation we've read articles only to find the reporter had minconstrued the meaning or intent of our comments; not so in this case.

We wish to thank you and Betty Mead for what I'm sure was an extremely informative article for the residents of the three communities.

Sincerely,

Elks Need You!

To The Editor;

We wish to thank your fine newspaper for the editorial assistance it has provided the past several months, and to report the Placentia-Yorba Linda Elks Lodge is still looking for a few good men.

On Feb. 18, 1975, 25 men from the two cities met to begin forming what has developed into B.P.O. Elks #2536. Because of hard work by men of both communities, membership is inching toward the 250 members the lodge must have to be instituted. With confidence permeating the ranks, the date of Nov. 29, 1975, has been set for the new lodge to receive its charter.

Steps have already been taken to open an Elks clubhouse prior to Nov. 29, which will serve the needs of the lodge for several years. Plans are also being made to raise funds to purchase property for the construction of a permanent clubhouse centrally located to both cities.

Serving the interests of both communities, the Elks are rolling along, with plaudits to you. However, more good men are needed to make Elkdom in our two communities as great as it can be. All men over 21 interested in joining one of the world's great fraternities should call 524-7670 (Bob Davis) 524-0220 (Andy Anderson), or 993-4363 (Charles Parker).

Sincerely,

MISFORTUNE STRUCK--as an early morning left turn at Orangethorpe and Placentia Avenues, ended with the occupants of these two cars receiving care at Placentia-Linda Community Hospital. Occupant of the Volkswagen, [top] Sharon Ann Testman, Anaheim, was still in intensive care this week with multiple injuries and serious leg and hip injuries. The driver of the van [bottom], Bertram Kleinholz, also of Anaheim, received treatment for a cervical fracture and wrist injury and has been released. Ms. Testman was pinned inside her car and had to be pried out. The police report states the van was eastbound on Orangethorpe and started a left turn when the cars collided. Both vehicles had to be towed away.

KAREN HOGAN--is crowned Homecoming Queen of the Golden Hawks at the El Dorado-Canyon football game Saturday night at Bradford Stadium. With her is her father, Jim Hogan. Other candidates for the high honor were Karen Hurley, Mary Ann Harmon, Cheri Vance, Sheri Cather, Ann McCarthy and Drew Simmons.

Don Holt Will Run

Donald Holt, who lost a bid for a city council seat in 1974 by a narrow margin of 212 votes, said this week that he will definitely run in the 1976 election.

Holt, who will be 36 in December, said he has already received permission and encouragement from his employer Corn Products of Englewood Cliffs, New Jersey, for whom he is an area sales manager.

He said that trips out of town for his employer, he did not believe would interfere in any way with council service, as most of the journeys are overnight or in the same day. Holt is a native California and lives at 1806 Jones Place.

Concerning the fortunes of the Placentia Fire Department, a big issue in the 1974 campaign, Holt said that he had not taken a firm position at that time on either the 24 hour day or eight hour day, hotly contested by firemen.

He said also that because of that, he was surprised when he received the endorsement of the Orange County Central Labor Committee, Af of L, CIO, the political arm of the local firemen's union, Fire Fighters Local 2147. Holt and Robert Davis were the two candidates supported by the firemen's group.

Holt, who is a member of the city's Industrial Commission, said he was uncertain as to whether he would seek labor support in the upcoming election as he feels it may have cost him a victory.

The prospective candidate says he is strongly for paramedics and has supported the program at every opportunity and will continue to do so.

Mrs. Holt is Sharon and they have two sons, Troy and Todd.

Apartments In Court

[Continued From Page 1]

approval from the happy homeowners already in the area.

However, Fredricks viewed the position differently.

Les LoBaugh, assistant counsel for Fredricks, said this week that an additional hearing on the city's action, has been set for December 22 in Superior Court in Santa Ana.

At that time the development corporation will present its case that the city should be ordered to immediately issue Fredricks a building permit to allow the company to proceed with the high density apartment development, LoBaugh explained.

Court action to date began when Fredricks petitioned the court for a writ of mandamus, asking that the city be compelled to issue a building permit for the apartments or show good cause why it had not done so.

The city came back with a demurrer, claiming that it could not comply because the zoning of the area had been substantially downgraded and to do so would be in violation of the present zoning. This was not accepted by the court, LoBaugh states.

The current continuing action in Superior Court, seeks an alternative writ, to compel the city to issue the building permit, to show good cause, or to be held in contempt of court...which could have possible jeopardy for city council members, if the courts so ruled, LoBaugh assesses.

LoBaugh said also that Fredricks considers that its out-of-pocket loss so far on the blocked development, to be half a million dollars, for which damages might be sought.

Mayor Robert Lyons in the recent council action, voted against other council members on the RA designation, favoring instead single family residential zoning for the undeveloped area, as more practical.

Some other members of the council viewed the R-1 single family residential designation reluctantly because it would not permit farm animals, which the RA, agricultural residential does allow.

PUSD Absence Check Now Approved

A policy for the Accountability of Absent Students in the Placentia Unified School District, was formally adopted at the last meeting of the PUSD Board of Trustees with a unanimous vote following a second required reading.

The procedure had been urged by parents after an accident at an oil well site near Brookhaven Elementary School where a student was fatally injured on his way to school.

The board vote confirms the program in cooperation with parents, of accounting for any elementary grade child not reporting to class. Parents are required to call in early stating absences and school personnel will then call the homes which have not been heard from, though students are not in school.

Parents, who do not wish to participate in the program, will be asked to sign a waiver form.

Environmental Report Is Delayed

A multiplicity of errors in the Environmental Impact Report, prepared by Urban Futures, Inc. of Santa Ana, for the widening of Chapman Avenue, forced a delay Monday night as a review of the document was continued until November 24.

The EIR had been scheduled for review by the city's Beautification Commission, who also sits as the EIR Review Board.

Thomas Nelson, Director of the city's Department of Community Development said that the corrections had been made in the lengthy report but that commissioners had not had ample time to review them in order to be able to pass judgement on the amended document.

James G. Funk, principal planner on the environmental study, had already given the board a list of 26 corrections. The commission supplied still another list that it wished to have noted before final action was taken on the document.

A separate list of 22 errors, including duplications, supplied by Attorney Robert Von Esch, counsel for Mr. and Mrs. Peter Laborde, whose property is on the corridor to be widened, included such items as the wrong address for Mr. Laborde's property and discrepancies in sizes of properties, ownership and errors in charts and maps included in the report.

The $7,200 document must be approved by the Beautification Commission before it progresses to the city's Planning Commission for its action.

Street Widening On Course-- Minamide

The contention that Placentia Avenue alongside the Marcelino Guerrero property, which fronts on Sunset Drive, is mostly in Placentia, is not at issue in the fracas over the widening of the major thoroughfare, Ben Minamide, City Engineer for Placentia said this week.

Minamide confirmed that the Fullerton city map, showing the precise alignment for Placentia Avenue at the Guerrero property, however, is accurate. The map reveals a width of 55 feet of the street at that point is in Placentia.

"City boundaries do not run down the middle of the street," Minamide pointed out, "and a few blocks north of the Sunset Drive intersection, the entire street of Placentia Avenue is in the city of Fullerton."

The 55 feet of the avenue width at Sunset Drive, which is in Placentia, also includes the widening which has just taken place, Minamide explained. It does extend beyond the center line, but that is where the city boundaries lies at that point.

Antonio Gigliotti, Long Beach, attorney for the Placentia Guerrero family, said last week that his clients would seek redress through the courts partially on the basis of the precise alignment. The Guerreros also have the problem, he outlined, of entry and exit to their garage, which is now 14 feet from the curb of Placentia Avenue.

The Placentia City Council also is looking into the matter to reconsider if the city should offer to build the Guerreros a garage on the Sunset Drive side of their property, to avoid a possible accident in and out of the structure.

The idea of a city funded garage was originally turned down by the city council as outside their province and obligation.

Bradford Home In Jeopardy

[Continued From Page 1]

a passive park, without the home. This would preserve the trees and develop the park principally for neighborhood and pedestrian use.

Mrs. Irene Bradford Kamin, whose husband has been active in associations to save the house, said this week that she did not know what the family plans would be in case the city decides against keeping and maintaining the home.

There had been some discussion of moving the two-story house to another location but Mrs. Kamin said there is no statement to make on that possibility at this time.

The Bradford family has salvage rights to the house and its contents.

Among ideas forwarded for the use of the home was to make it a fully furnished Heritage Home open to the public. A recent effort was to use the home as background for a changing art gallery. In this context, art classes might be held there along with other cultural activities, scheduled in the rooms of the home and the surrounding park.

Various estimates given to bring the house up to code so that it could be maintained for public use, were between $50,000 and $100,000. Maintaining it and supervising it also would be an expense.

SISTER CITY

Because of lack of reciprocal activity, the Placentia City Council voted recently to discontinue the city's affiliation with Tlaquepaque, Mexico as a Sister City. The vote by council was unanimous. The relationship at one time was active with exhange visits between mayors and delegations. There was no indication this week as to whether another city in Mexico would be chosen, a city such as Piacenza, Italy selected or the program dropped.

Candy Needed For Party At Christmas

Contributions of candy or money too but candy would be appreciated by youngsters in the La Jolla Neighborhood of Placentia, who are planning a Christmas party.

The party will be held in the Recreation Room of the Hacienda-La Jolla Apartments where most of the youngsters live. Around 150 young people are expected to attend the festivities.

Mrs. Rosa Garcia, manager at the apartment complex, said that the youngsters will exchange gifts among themselves and parents are providing food. A tree will arrive, courtesy of the owners of the apartments and a bilingual Santa Claus will appear. But money is still needed for candy to make the evening complete.

Any organizations or individuals who would like to help the young people with their projects can contact Mrs. Garcia at 630-4995 in the evening. The Placentia Junior Round Table is already assisting, Mrs. Garcia said.

MYSTERY at 2 o'clock in the morning...this green '67 Ford, owned by J.E. Godwin of Fullerton and usually driven by his son, Timothy Godwin, 607 Twilight, Placentia, was found resting obliquely across the curbing at Twilight and Primrose Avenue. Showing damage to the rear, the car had sheared off a fire hydrant, later picked up and removed from the scene. No driver was present and young Godwin reported the car's tape deck stolen. The car, he said, had been parked in the driveway at the top of the steep incline on Twilight, and Godwin theorized that someone had removed the emergency brake and the car had rolled down hill. The accident necessitated the writing of four different police reports, including traffic collision and stolen property. Police considered the possibility the car had been stolen and driven.

ACOC Schedules Open House

A week-long open house, an autograph party and other special events highlights Alcoholism Action Week activities at the Alcoholism Council of Orange County (ACOC), according to Dr. H.W. Holly, program director.

Nov. 17-23 has been designated as a week of special effort directed toward increasing public awareness of the human, social and economic costs of alcohol abuse.

"We will also intensify our public information efforts to let people know that alcoholism is a disease which is highly treatable and which often can be intercepted in its early stages by education," Holly noted.

Open house for the general public is scheduled at council offices, 1913 E. 17th St., Suite 104, Santa Ana, from 1-4 p.m. daily Nov. 17-21.

All five days, ACOC staff members will be available to explain council activities or provide answers to questions on alcoholism, and free literature will be distributed to guests.

Visitors will be invited to test their knowledge of alcoholism on a question and answer board which lights up when the correct answer is chosen. Refreshments will be served from 2-4 p.m.

Students Nominated

Four members of the Esperanza Aztec Chamber Singers have been nominated for the honor of being selected for Who's Who Among Music Students In American High Schools.

Those nominated by Choral Director Dwain Miller include Andrea Bopp of Yorba Linda and Donna Lynn Ekins, Thomas W. Brown and Tod G. Frank, all of Placentia.

Any of the students selected to be included in the Who's Who national volume, will receive a personalized certificate as well as a complete biography in the annual book.

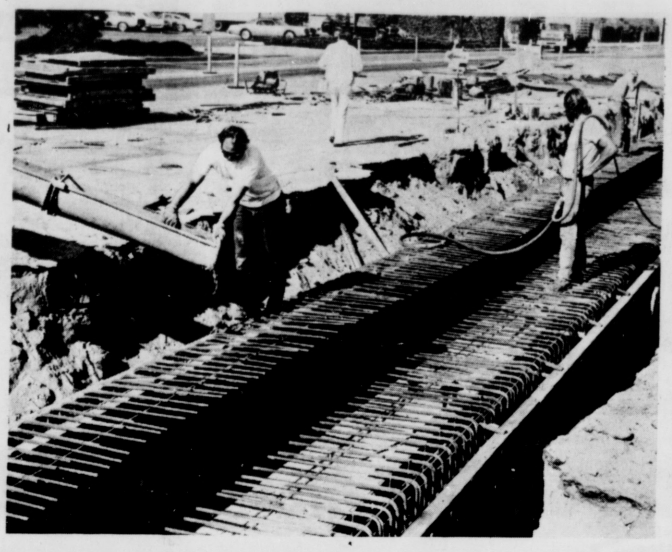
Secretaries To Meet

Following its annual Tri Meeting with Bahia and Orange Empire Chapters, Valencia Chapter of the National Secretaries Association, announces it will have a business/dessert meeting on November 20 at the Placentia Library, 411 East Chapman, at 7:30 p.m.

International Women's Year "Salute to Secretarial Careers Month" will be observed. On the program will be a panel from California Institute for Women at Frontera, to discuss problems, hopes, and goals of the inmates. Donation for the event is $1.

As a reminder to all secretaries, December 1 is the deadline for filing applications to take the 1976, 2-day Certified Professional Secretary exam sponsored by National Secretaries Association, International. The exam will be held the first Monday and Tuesday in May.

In order to file for the exam, secretaries must be high school graduates and have three years verified secretarial experience (1 year must be with the same employer and within the past 5 years). Two years of post highschool formal education may be substituted for 1 year of experience.



UNDERCOVER will soon be this section of the new storm drain under construction on Placentia Avenue at La Jolla Road. A joint project of the cities of Anaheim and Placentia, the construction will cost over $100,000 and is expected to be completed by mid-December, solving the drainage problem in that section.

Storm Drain Underway

A storm drain construction project, underway on Placentia Avenue between La Jolla Street and Orangethorpe Avenue is a jointly funded project by the cities of Placentia and Anaheim.

Physical construction is within the city of Placentia boundaries with the city of Anaheim being the lead agency for construction supervision, Ben Minamide, Placentia City Engineer reports.

The need for this drain system resulted from area development in both cities, primarily the industrial areas in Anaheim, which Minamide said, is partly developed within natural drainage courses. Reduced runoff capacity within the drainage courses caused considerable backup and flooding, particularly at the Placentia-La Jolla-Freeway bridge intersection. The situation prompted both cities, on a joint basis, to take remedial action by construction of the drain system, Minamide pointed out.

Total project costs for the storm drain will be approximately $106,500, with the city of Placentia share cost being $27,200. Anaheim has awarded the construction contract to the Mac-Well Engineering Contractors Company of Anaheim.

Prior to beginning the drain construction, it was necessary that Southern California Gas Company make major relocations of existing 36-inch and 24-inch diameter gas main lines to provide an access-way for the drain, Minamide said. This in itself was a major project and costs involved are estimated to equal or exceed the costs for the drain construction.

Gas main relocation work was started in August of this year and completed in October. Construction of the storm drain begun at that time and completion of all work, is anticipated by mid-December.

Students To Hear Noted Opera

The Christmas opera "Amahl and the Night Visitors" will be presented for more than 1,500 young people in the Placentia Unified School District Thursday, Nov. 20.

Two performances will be staged by the West Coast Opera Company in the Auditorium at Valencia High School in Placentia. The production is co-sponsored by Brea-Olinda Unified School District, who will send 400 students, according to William Foster, Placentia's supervisor of music.

Students from Topaz, Morse, Glenview, Fairmont, Van Buren, Glenknoll, and Golden Elementary schools; Bernardo Yorba, Kraemer and Tuffree junior high schools; and El Dorado, Esperanza and Valencia high schools will attend.

Teachers are preparing students for the 50-minute opera by letting them listen to the music and discussing the libretto, Foster said.

Seniors Info

***

Three bills signed into law by Governor Brown recently are of major importance to the state's senior citizens, their families and those who provide health care and protection for the elderly, California Director of Aging Janet J. Levy announced.

The bills are:

AB 1442 (Thurman)-Authorizing county health preventive health care projects for the elderly statewide, with the state to defray up to 50% of the cost of such projects. The legislation expands current law under which the Department of Health is authorized to establish such projects on a pilot basis. The new law carries a $750,000 appropriation;

SB 46 (Dills)-Elminating present provisions that an adult child is required to contribute to the support of an aged recipient of aid under the State Supplementary Program. It provides instead that no relative is liable to contribute to the support of such program recipients; and

AB 193 (Keene)-Permitting pharmacists, as of next May 1, to substitute less expensive drug products for those prescribed by brand or trade name, with the pharmacist responsible for the substitutuion of products of the same active themical ingredients of the same strength, quantity and dosage and of the same general type.

PUSD Lay Committee

Twenty-one members of the community in the Placentia Unified School District have been named to the Educational Facilities Planning Committee, the citizen's group which studies and makes recommendations on district building and housing needs.

Heading the committee for the school year are Ruth Leonard and Lee Wilcox. Seven members from each of the district's three attendance areas were invited to participate by the board of education.

Members from the El Dorado High School area include Mrs. Leonard and Wilcox, William Hoskins, John Koval, Lewis Pritchitt, Tom Steele and Barbara Williams.

Representatives from the Valencia High attendance area are Al Barlow, Mrs. William Chambers, Guy Ehrich, Max Ellis, Al Garcia, John Heiertz and George Jaeger.

Esperanza High area representatives are Sue Clark, Ronald LaBerge, Michael Lum, Sharon Nearing, Martin Peterson, Sharon Rice and Bonnie Sheffield.

Students from the three high schools named to the committee are Susan Binswanger, Valencia; Karyn Clark El Dorado; and Theresa Pachiano, Esperanza.

Rounding out the committee are district representatives, including Patrick Bowman, director of planning and construction; Joe Dunham, Placentia Administrators Association; Nancy Kennedy, Placentia Unified Education Association; and Jean Owen, California School Employees Association, representing classified employees.

Among the assignments given to the EFPC are a review of attendance boundaries, a study of current school capacities with recommendations for future schools and a study of alternative solutions to ease overcrowding of schools.

Park Heads Seminar

The California Association of Public Purchasing Officers--a Statewide organization--recently concluded a seminar at the Huntington Beach City Hall, attended by purchasing agents in the southern half of California.

The organization is composed of all purchasing agents in governmental entities in the State of California.

Jim Park, Purchasing Agent for the City of Placentia, was General Chairman of the Seminar; coordinating all of the events of the day, obtaining various speakers, and providing topics for discussion by the purchasing agents.

Edwin Powell, City Administrator of Placentia, spoke on "What the City Manager Expects of You". Jay Rocha, Purchasing Agent for the County of Orange, spoke on "The Role of a Purchasing Agent in a Super Agency". James Martin, Contracts Manager for Sylvania, spoke on "Negotiation" and "Power Bargaining".

Scout-O-Rama In Anaheim Nov. 22

Orange County Scout-O-Rama '75 on Saturday, November 22, will draw thousands of cub scouts, boy scouts, and explorers to the Anaheim Convention Center in what promises to be the largest and most populous Scout-O-Rama ever held in Orange County.

A total of 200,000 square feet of floor space has been reserved for the scouts for this year's Scout-O-Rama which will run from 10:30 a.m. to 6 p.m. This is a 60 percent increase over last year's floor space.

Cubs, scouts and explorers from hundreds of packs, troops, and posts from virtually every city in the county will show their skills in 600 exhibit booths.

This year's theme, tied to the nation's bicentennial is "The Spirit of '76".

Scout-O-Rama's sponsor, the Orange County Council Boy Scouts of America, comprises all of Orange County and constitutes the 10th largest boy membership of Scouting in the United States. The Santa Ana-headquartered Council has 42,000 boys and 16,000 adult scouting leaders.

At Scout-O-Rama '75, in addition to the 600 exhibit booths, scouts will demonstrate their skills in a Cook-O-Rama representing scouting cooking techniques, an all-day stage show, an "Indian Village" with dancing, crafts and displays, and a Pinewood Derby miniature race car event, in which cub scouts will enter their own hand carved racers in enthusiastic competitive events.

A "show within a show" will be provided by the scouting explorers group. The exploring program is an advanced one for high school students. Their displays at Scout-O-Rama will depict many types of vocational themes they follow, such as science, communications, medical, fire, automotive, marketing and law.

Gladys Kiolstad Dies

Services for Gladys R. Kiolstad, 73, who was a teacher and principal in Placentia from 1922 to 1965, when she retired, were held Thursday, following her death on Sunday at St. Jude Hospital, Fullerton.

Mrs. Kiolstad was well known in this area from her 43 years in education. She first taught at Bradford Elementary School in Placentia from 1922 to 1930. She then became a teacher-principal at the Richfield School from 1930 to 1932 and 1934 to 1939, returning to the Bradford School from 1932 to 1934 and 1940 to 1960.

She then became principal of the Ruby Drive Elementary School in Placentia until her retirement.

Services were held at the First Prebyterian Presbyterian Church in Fullerton where she was a longtime resident of the city. Burial was conducted at Loma Vista Memorial Park, Fullerton, with Brown Colonial Mortuary, Santa Ana, in charge.

Mrs. Kiolstad was a native of West Virginia and survivors include a brother, Ed Sullivan of Fullerton; two nephews and four grandnephews.

New Members

The Placentia Redevelopment Association at a regular meeting Thursday night, accepted ten new members into the group.

The organization has been active in the La Jolla neighborhood in securing the community center there and in identifying problems in the special area, which need assistance.

Members added Thursday include Elisa Sanchez, Irene Orosco, Irma Ayala, Eva Garcia, Stella Medellin, Martha Wagner, Lucille Flores, Evelyn Yanez, Valerie Jones and Evelyn Martinez.

Meetings are held the second Thursday of the month and are open to the public.

Wagner Schedules PTA Day

To celebrate National School Week, Charles Wagner Elementary School Parent Teacher Association, will host PTA Day.

On November 20, from 8:30 to 11 a.m., PTA board members will be available to answer any questions regarding the function of the PTA concerning the school. There will also be guided tours of the school for those who are interested.

Board members will be seated in front of the school, and will be looking forward to meeting guests and helping visitors know the school better, the organization reports.

Florists At Dinner

Plaza Florists in Lakeview Center was represented at the Damas de Caridad Florist-Mannequin dinner held recently in Garden Grove.

The annual dinner honored florists and mannequins who will be participating in the Bal Masque 1976, set for February 28 at the Disneyland Hotel. Instructions for the event were given to the participants.

Plaza Florists was represented by Robert Thomas, owner, and Joe Carpus.

John Press Promoted

Ronald L. Rodgers, president of the Bank of Newport, today announced the appointment of John G. Press as vice president, cashier.

Prior to joining the Bank of Newport, Press served as vice president, operations for Manufacturers Bank in Newport Beach, and was previously with United California Bank for over 20 years.

In commenting on Press's appointment, Rodgers stated, "John's extensive management experience will be a great asset to our banking team. We are about to open our third office in the Harbor Area and John's in depth knowledge of operations will be a key factor in expanding our personalized neighborhood services to the Lido area."

Press is a graduate of UCLA and is an elected member of the Board of Trustees of the Placentia Unified School District.

John and his wife, Martha, reside in Placentia with their three daughters, Deborah, Jennifer and Marjorie.

Senior Citizens

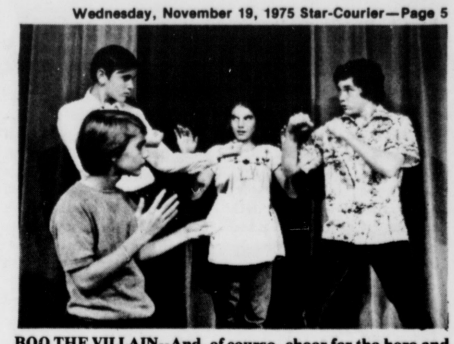
BY MURIEL SUTTON

We are sure there has never been a more bountifully laden Thanksgiving table with the rich produce of our great country than the Seniors experienced at our last Pot Luck; turkey with all the trimmings plus home grown broccoli grown by Clarence Tanetta, who also did an excellent job carving the turkey, piled high on a huge platter, dressing made by our own Food Chairman Topsy Page which was out of this world, pumpkin and mincemeat pies, cakes, etc.

We couldn't help thinking of Psalm 68 "Blessed be the Lord, who daily loadeth us with benefits." Much gratitude was expressed for this delicious meal and get-together.

We had a record attendance of over 150 members including 12 new members which swelled our membership to 227. Our slate of officers which were unanimously elected consists of Whit Cromwell, president; Dorothy Wallingsford, vice president; Paul Smith, treasurer.

To date we do not have a secretary but have good prospects of one in the near future. At our Christmas Pot Luck we will be serving ham.



BOO THE VILLAIN--And, of course, cheer for the hero and heroine when Bernardo Yorba Junior High stages "Little Nell" on November 20 and 21. From left, Jim O'Neil, Laura Rice, Danny Ritchie and Robert Fryke, rehearse for the play.

Alcholism Seminar

Law enforcement agencies from all over Southern California will participate in the first annual seminar "What to do with a 'Drunk'" sponsored by the Alcoholism Recovery Services of St. Joseph Hospital of Orange on November 20.

Experts in the area of alcohol and law enforcement related problems will speak at the all day symposium which will be held from 9 a.m. to 3:30 p.m. on the Orange campus of Loyola Marymount College.

COED HONORED

Nine Northern Arizona students from Flagstaff have been named with 36 other NAU students to Who's Who Among Students in American Universities and Colleges, an award for contributions to school and community. In the group is Patricia Laguna of Placentia.

Local Bands In Review

More than 4,000 students, representing 48 high schools from throughout the state of California, and including Valencia and Esperanza high schools, will participate in the fourth annual California Band Review on Friday, November 28.

The first band will step off at 10 a.m. from Santa Ana Stadium, Civic Center Drive and Flower, in Santa Ana. From there the parade route follows Civic Center Drive east to Sycamore, Sycamore south to Santa Ana Boulevard, and returns to the Stadium area by way of Shelton.

Judging will be done at four areas along the route. The main reviewing stand will be on Civic Center Drive near the Santa Ana Public Library. Others will be on Civic Center Drive near Sycamore, on Santa Ana Boulevard near Broadway, and on Santa Ana Boulevard near Flower.

Awards will be presented in Santa Ana Stadium at approximately 2:30 p.m. The bands will compete in five divisions, based on the size of the band itself (not the school enrollment, which is the usual practice). Scoring will be based on music, showmanship, marching, maneuvering, and a standing inspection conducted prior to step-off.

Scoring the bands will be a team of college and university-level musical educators. They are Terry Blackley, Fullerton College; John Benham, California State University Fullerton; Ron Broadwell, Cypress College; Kenneth Caldwell, El Camino College; William Hill, California State University Fullerton; Ron Broadwell, Cypress College; Kenneth Caldwell, El Camino College; William Hill, California State University Fullerton; Ron Broadwell, Cypress College; Kenneth Caldwell, El Camino College; William Hill, California State University Los Angeles; William Johnson, California State Polytechnic University San Luis Obispo; Dr. Felix McKernan, Occidental College; Benton Minor, California State University Fullerton; and Terry O-Donnell, California State University San Diego.

In addition to the 48 bands and their drum majors, more than 100 auxiliary units will participate; 21 drill teams; 25 flag teams; 48 identification units; 7 flag twirling teams; 11 baton twirling teams; and 17 solo baton twirlers. These auxiliary units will also be in competition, judged separately and receiving trophies independently of the bands. Auxiliary units will be judged by professional experts Renee Boblette, Beverly Johnson, and Rhonda Ward.

The California Band Review was first held in 1972, with 26 bands participating. Although one of several band reviews held in Southern California, it is unique in several important aspects: the use of college, university and professional people (rather than high school educators) as judges; division by band size rather than school enrollment; the use of several competition areas rather than a single one; and the separate judging of auxiliary units.

The California Band Review is hosted and organized by the Santa Ana Winds, Orange County's official "Ambassadors of Music."

Artist Of The Month

Subtle color technique marks the oil paintings of artist of the month, Donna Parish, showing at the Yorba Linda library through November.

A resident of Fullerton, Donna comes from the midwest, where she studied advertising at the Art Institute of Chicago. A professional painter for the last year and one-half, she has studied with Nona Taylor of the La Mirada Adult Educational School, and has been continuously studying oil painting for seven years.

She is a street artist, has shown at Laguna Beach, and has a little gallery in Redlands. She also works with an interior decorator.

The library art exhibits are a project of the Yorba Linda Woman's Club. Anyone interested in showing may contact Mrs. B.V. Kemp, 528-7659, or Mrs. Roy Knight, 528-7401.

FALL FOOD FESTIVAL

What a bountiful harvest we've had this year! There's an abundance of almost every product we consider "holiday fare." Other than pork (including ham) which is still in short supply, many prices are less than a year ago. This is good news for all of us. In fact, because some holiday baking ingredients, such as sugar and walnuts, are so much lower this year, it's a good time to get busy in the kitchen and create those special food gifts for favorite friends.

During recent weeks, Alpha Beta has put quality beef back into your budget, and now, turkey prices have dropped to stretch your holiday food dollar even further. Many varieties (fresh, frozen, butter basted, etc.) of this tasty bird are available in the Alpha Beta meat case. If you need help in making your selection, the Butcher in the Red Apron will be happy to answer your questions and advise you on your purchase. We want to guarantee your satisfaction.

A free leaflet called "Let's Talk Turkey" has been prepared to give you tips for your holiday turkey, but the ideas will be good anytime during the year. One of the features is a group of specially selected turkey recipes. With these, you won't let a scrap of this nutritious protein food go to waste! Just call or drop a note for your copy.

Have a happy Thanksgiving.

Americans Eyed In Play

The British view of an "uncivilized" and "uncultured" America in the 19th century is the subject of "Those Damned Americans," an original reader's theater production to be staged Thursday through Saturday, Nov. 20-22, in the Arena Theater at California State University, Fullerton.

Created by Dr. Joseph H. Arnold Jr., assistant professor of theater, "Those Damned Americans" theatrically presents the comments and observations of renowned British writers such as Charles Dickens, Oscar Wilde and Frances Trollope.

"The fascinating journals, diaries and articles of prominent British travelers reflect a humorous, sometimes bizarre and often strikingly modern conception of American life," Arnold noted.

Obsessed with certain negative preconceptions about American culture, the British travelers were usually highly critical because American, after all, was not "British."

Featured in "Those Damned Americans" are Susan Wall, Placentia; Elaine Blackman, Anaheim; David Marsh, Buena Park and Deborah Lyons, Mark Ramont and Lee Shuhardt, Fullerton.

Performances will be at 8 o'clock each evening. Further information and ticket reservations may be obtained from the Cal State box office, 870-3371.

Library Showcase

Yorba Linda youngsters are now invited to watch the adventures of Laura, Mary, Ma & Pa in "Little House on the Prairie" with friends on Wednesday evenings at 8 in the Story Hour Room of the library.

Take-a-break:

Pre-school story times are held on Tuesday and Thursday mornings from 10:30-11 in the Children's department. The story times offer parents a chance to meet new friends or browse unencumbered in the adult area while giving the children a little taste of independence in a friendly atmosphere.

The pre-schoolers can also look forward to the second annual Christmas Cookie Decorating Day being planned by the staff for early December. Anyone willing to bake cookies or otherwise lend a helping hand please contact Katy Hellauer, Children's librarian.

More----

A new shipment of the popular book/tape cassette combinations have arrived and are ready for loan. Curious George stories, "The Wizard of Oz", "A Wrinkle in Time" and many other new titles are now available.

All selections are either Caldecott or Newberry award winners and are proven favorites of all ages and interests.

Movie land:

Two free feature length films are scheduled for the Yorba Linda library this week. Thursday the 20th at 7:30 p.m. Robert Redford will swoop and swerve down the slopes in "Down Hill Racer."

Friday night's film, screening at 7 p.m., is "Deafula", a unique movie done entirely in sign language by Emmy award winner Peter Wechsberg who himself is deaf.

Parents & teachers:

A week long conference and workshop exploring the exciting world of Children's Literature is scheduled at the Huntington Beach Public Library November 17-22.

Illustrators, authors and librarians will be discussing their professions, storytelling techniques, reading skills and the future of children's literature.

Parents, teachers and anyone curious about the inner workings of children's minds may attend one or all of the sessions.

Brochures and registration forms are available at the library's lobby desk or in the Children's department or call the office of Continuing Education (870-2611) at Cal State Fullerton for more information.

Best sellers:

The 75 years of "best sellers" recently pulled from the general collection for the library's Open House has proven to be quite popular with patrons.

All of those once famous and talked about books whose authors and titles you can't quite recall are conveniently arranged on the round carousel near the record collection just waiting to be picked up and read or re-read.

YOUR Pharmacist SPEAKS

By John Payne, Owner - Reg. Pharmacist

A vaccine that is said to reduce the occurrence of tooth decay in children by 90 per cent has been developed by a British dental surgeon. In tests conducted over more than 10 years, this vaccine ... administered by "shots" directly in the mouth and followed by annual innoculations to maintain the effect... has given no indication of side effects of risk of any kind.

The serum is given to children at about four years of age. No testing has yet been done with adults. It is expected that the serum will be available through your dentist in the next few years.

Once a new drug is tested and approved, we put it in stock awaiting you doctor's prescription. LINDA VISTA PHARMACY honors all the third party prescription plans...Blue Shield, Paid Prescriptions and others.

HANDY HINT: Keep the phone number of fire and police handy and be sure to give your address before hanging up in you excitement.

PUMPKIN CONTEST WINNERS--Yorba Linda Library held a pre-school pumpkin drawing contest for Halloween. The winners, proudly showing off their art work and clutching the prizes they were awarded are, in order: Kari Henricksen, 5, of Yorba Linda; Megan Keefer, 4, of Placentia and Wendy Smith, 3, of Yorba Linda.

Tiny Tot Classes

Two classes of Tiny Tots, sponsored by the Yorba Linda Recreation Department, get underway early next month. One class begins on December 1 and meets each Monday and Thursday from 9:30-11 a.m. at the First Baptist Church on Lemon Street.

Mrs. Paula Nofsinger is the instructor for the class for children 3-5 years of age. The registration fee is $16 for the eight-week session.

The other class meets on Wednesday only from 9:30-11:30 a.m. and starts December 3. Mrs. Linda Chamberlain is the instructor. The registration fee is $10 for eight weeks.

Interested persons may register at City Hall. For further information call 524-5020.

Olaynick Rites

A funeral Mass was celebrated November 14 at St. Martin's Church, Yorba Linda, for Larry J. Olaynick, 67, 5021 Club Terrace, Yorba Linda. He died on November 11 at Placentia Linda Community Hospital.

Born on February 8, 1908 in Detroit, Mich., Mr. Olaynick lived in this area since 1961. He was employed by Ford Motor Company for 29 years.

He is survived by his wife, Ellen; one son, Ted of Yorba Linda; two sisters, Eleanor and Gertrude, both of Detroit; one granddaughter, Jeanette.

Interment was in Holy Sepulcher Cemetery. Funeral arrangements were under the direction of Neel Brea Mortuary.

Lackey Honored

Derran Lackey, senior physical education major at Abilene Christian College, has been named to the 1975 listing of "Who's Who Among Students in American Universities and Colleges."

Lackey, a 1972 graduate of Bakersfield High School, is the son of Mr. and Mrs. Doyle Lackey, 17935 Yorba Linda Blvd.

"Who's Who" gives national recognition to a student's scholastic achievement, involvement in extracurricular activities and service to the school and community. Nominations are made by a panel of students and faculty.

Marine Private First Class Charles N. Mahn, son of Mr. and Mrs. Harucy E. Mahn of 19662 Blockfield Plaza, Yorba Linda, has reported for duty with the Third Marine Division on Okinawa.

"GODSPELL", the famed Broadway musical will be presented by Esperanza High School students opening Thursday through November 22. Cast members above include: [far left] Linda Libby and [far right], Jim Burke. In the back row: Donna Ekins, Ellen Terry, Mark Kanipe, Andrea Bopp and Eileen Stricklin. Front row: John Watson, Sue Draper, Tom Brown, Paula Campbell and Kim Lane.

Students Present "Godspell"

"Godspell," the Broadway hit musical retelling the life of Jesus, will be the first production in the new theater at Esperanza High School in the Placentia Unified School District.

Staged by Esperanza drama students, 'Godspell' will be performed at 7 p.m. Thursday through Saturday, Nov. 20-22, on the campus, 1830 N. Kellogg Dr., Anaheim.

"The message of the play is non-sectarian, as might be expected in a play about Jesus and his teachings," explained Susan Dermody, faculty director. "It has been applauded by many non-Christian denoninations for its basic ideas of love, charity, hope and joy."

Working with Mrs. Dermody as student director is Ken Sawa. Other faculty advisers are Mike Johnson, band; Dwain Miller; vocal, Nancy Berck, choreography; and Frank Chavez, program.

Cast members include Andrea Bopp, Tom Brown, Jim Burke, Paula Campbell, Susan Draper, Donna Ekins, Mark Kanipe, Kim Lane, Lindy Libby, Laurie Mehlhoff, Eileen Stricklin, Ellen Terry, Kraig Rawlinson and John Watson.

Members of the band, directed by Allen Campbell, are Cathy Elliott, Tod Frank, Don French, Karen Schetts, Craig Skomski, Bob Von Zabern and Don White.

Production crew members are Nancy Richards, lighting; Jeanne Jessup, and Carrie Vaughn, costumes, Ann Neithamer, property; John Eaden, sound; Cindy Malafronte, ticket sales; Bonnie Ebben, publicity; Jordy Gray, advertising; Sue Draper and Lindy Libby, choreography; Kim Copeland, ushers; Brian Barbre, clean up.

Tickets will be available at the door for $2 for general admission, $1.50 for students with ASB cards for $1 for children 12 and under.

Youth Groups Organizing

Two youth groups, one boys and one girls, Thursday night petitioned the Placentia Redevelopment Association for sponsorship of their activities.

The organization said it will seek assistance from the city of Placentia in providing adult leadership for the groups, which may be used as pilot programs in developing an aceptable pattern for social and civic-oriented programs for the young people.

Many youth groups in the area find it difficult to function because adult supervision is not immediately available to give direction, Albert Perales, president of the Placentia Redevelopment Association pointed out. The youngsters are from the La Jolla section of the city.

Members of the girls group include Sheila Reyes, Virginia Martinez, Debbie Reyes, Cidi Perez, Laura Hernandez, Esther Garcia, Carmen Munoz, Christine Oviedo and Mickey Rodriguez.

The boys club, which has adopted the name of La Jolla Sinners, includes president Lando Gonzales, vice president, Tommy Peralta, sergeant at arms, Phillip Valverde, secretaries Raymond Deavila and Stevie Castro and treasurer, Ralph Garcia.

Other members are Joey Lopez, Andrew Montaverde, Joe Rualez, Richard Tovar, Javier Munoz, Art Martinez, Ralphy Valenzuela, Eddie De Los Reyes, Henry Aguilar, Yayo Moctezuma, Stan Galvez, Jake Camelot and Nacho Monoz.

Local Girl In College Concert

Janet Morrow, 607 Rockaway Drive, Placentia, is among 13 Southern Illinois University at Carbondale students who will appear with the SIU-C Collegium Musicum in its first concert of the year.

John Boe, associate professor in SIU-C's School of Music, directs the group which includes faculty, graduate students and undergraduates.

Officers Named For Council

The Placentia Redeemer Lutheran Church has announced the election of officers for the Church Council.

Named are Everett Kjerulff, president; Richard Wesley, vice president; Walter Olhoeft, financial secretary; Richard Wall, recording secretary; Jeff Christopher, youth education chairman and Harley McVay, property board chairman.

BOOK FAIR--Fairmont School is holding a Book Fair all this week, concluding on Friday. The event marks the opening of the school library and proceeds from the sales will go towards that department. The school PTO is sponsoring the Fair. Publicizing the event are, from left: Marilyn Wearda, poster contest judge; Gordon McKay, principal and Marie Bass, library chairman.

A GIFT FOR ALL SEASONS.

It's a unique book that never becomes obsolete. It combines prose, poetry, history and science. And it can inspire your loved ones to find peace of mind, purpose, and healing through a deeper understanding of God.

It's the King James Version of the **Bible.**

Why not give the Bible today to someone you love? You're welcome to stop in at a Christian Science Reading Room, and browse through the many editions we have to offer. There are paperback, hardcover, and genuine leather editions. Also foreign language and Braille editions. And while you're there, ask the librarian how Christian Science can help you discover new meaning to the Scriptures.

SIERRA VISTA BOUTIQUE--Getting their crafts ready for Sierra Vista's annual Christmas boutique are PTA workers Daphne Erickson [publicity], Barbara Williams [president], Jo Anne Bandy [ways and means--boutique], Rosa Hauserman [ways and means--carnival], and Sue Jones. The hand crafted gifts are made available to students at nominal prices for Christmas giving.

Sierra Vista Boutique

Students at Sierra Vista School are eagerly anticipating their annual holiday Boutique. To ensure that no one is disappointed, parent volunteers are participating in crafts workshops under the direction of Mrs. JoAnn Bandy.

Utilizing many donated materials, project workers are creating attractive, but affordable, gift items which will be made available to the student body during the final three days of school.

Designed to provide the children with an alternative gift shopping source.

Guess who's responsible for conserving natural gas.

If you get the feeling somebody's pointing the finger at you, you're right.

We've got a serious situation in Southern California. Our current supplies of natural gas are dwindling, and it's going to take time to develop new sources.

We at the Gas Company realize it's our problem. But you should know it's also your problem. Here's why.

We're already unable to supply many of our larger "interruptible" industrial customers and if all of us don't make a serious effort to conserve natural gas, we're going to have to start curtailing supplies to small businesses as early as 1978. That means some businesses are going to be hurt, and people will lose jobs. The resulting effects on the economy are depressing to contemplate. Everyone will be affected.

We're asking your help at home and at work. Please conserve natural gas.

SOUTHERN CALIFORNIA GAS COMPANY

If you don't know the many ways you can save this valuable resource, fill in the coupon and send it to us. We have a program for everyone, because conserving energy is everyone's concern.

But it's got to start with one person. You.

PERSONAL FOUL--With a Brea-Olinda Wildcat on each leg and another with a hand on his face mask, Valencia Tiger No. 84, Nick Garcia, is still on his feet. Garcia has just caught a pass in the Valencia-Brea-Olinda game last weekend. The personal foul in the picture went undetected by the referee. Fred Workman, head football coach at Valencia, calls Garcia one of his most improved players and predicts a better season for the Tigers next year with most of his outstanding men returning.

Eight Inch Defeat

It is often said that football is "a game of inches" and this was certainly true last Saturday for the Placentia/Yorba Linda JAA Jr. Pee Wee Piranhas as that's what they lost the quarter finals playoff game by...inches.

Eight inches to be exact. The Piranhas, playing the Santa Ana Redskins, a team they had beaten earlier in the season 13-12, lost the big one 27-26 on a California Tie Breaker.

The Piranhas and the Redskins ended regulation time deadlocked 26-26 and went into a game deciding overtime. When the dust settled the Redskins were eight inches into Piranha territory and a fine season was ended.

Head Coach Carl Hummitsch had brought his team to a perfect 9-0 regular season before the loss. This marked the second straight year that Hummitsch has been undefeated, taking the Grunions to a 12-0 1974 season and the Orange County Clinic Division championship.

ANGEL SEATS

The California Angels announced today there will be no increase in daily ticket prices or season ticket prices for 1976, "despite spiraling operational costs."

Ticket prices for Angels games are $1.50 general admission, $2.50 for a reserved seat and $3.50 or $4.00 for box seats.

Tigers End Year On Tails

BY CHARLES ROSPAW

After leading through most of their final game of the 1975 season, the Valencia Tigers had victory ripped from their grasp by a heads up play by the Brea-Olinda QB Walt Wiegan, 18-14.

It was Brea who scored first in a game marred by over 200 yards in penalties and two Wildcat ejections as both teams played like this was the game it was, a contest for last place.

After a nullified TD in the second, Brea settled for a 25 yard field goal by Cal Haney to go ahead 3-0.

But Valencia came right back as Mino Rodriguez swept around end from the one and then kicked the extra point to put the Tigers ahead until late in the game.

Tiger Tom Bennett intercepted a Wiegand pass early in the third and returned it to the Wildcat 14. Rodriguez ran it down to the four and then Donny Moreno, the Tiger speedster, broke through the middle for the score. Rodriguez completed the Valencia scoring with a kick to make the score 14-3.

Wildcat Jeff Johnson then bulled in from the one, and proceeded to catch the PAT pass to bring the score to 14-11, where it stayed until late in the fourth quarter.

A face mask penalty gave Brea the first down on the 44 yard line. Wiegand passed twice to Bill Hobbs to bring the wildcats to the 21 with a first down.

Here the drive seemed to falter as Wiegand threw incomplete twice and was socked for a loss. On fourth down and 11 from the 22, Wiegand faded back, and finding no receivers, calmly saved the day by running back up the middle for a first down at the Tiger 11. Johnson scored three plays later from the two with only 1:33 left on the clock.

This game ended Orange League play for all teams and for the second year in a row, the Tigers took the cellar, winning the spot from Brea with a final record of 0-5 versus the Wildcats 1-4.

Slim-Trim Registration Opens

The Placentia Recreation Department is sponsoring a new session of Slim and Trim classes.

The classes feature exercising to jazz music and learning about dieting and nutrition. The winter session of classes will begin the week of December 1.

Registration for the Slim and Trim classes will begin on Saturday, November 22 at the Backs Community Building, 201 North Bradford. Registration is open from 8 a.m. until 10 a.m. for Placentia residents only and from 10 to 12 noon for both residents and non-residents.

DASHING DON STODOLA--dashes to a large gain in Esperanza's regular season finale against Sonora High. Blocking for the swift running back of the Aztecs is Joe Gilliam. Despite loss Esperanza had an excellent season and will be in the CIF playoffs beginning this weekend.

Aztecs In CIF Despite Loss

BY CRAIG WILSON

Esperanza's Aztecs, closing their season on a sour note, were smashed by Sonora Saturday night 55-20. But they made the CIF playoffs and will travel to Gahr High for a first round game.

The Raiders, also headed for CIF, started their rout on the first series of the game. Three plays after the opening kickoff, Sonora's quarterback Jim Porter threw a 58 yard touchdown pass to Brian Greer. Greer then came on and kicked the extra point to make the score 7-0.

Later in that quarter, Aztec running back Brad Goettsche fumbled at midfield and Sonora took over. Despite two penalties the Raiders still scored on a Porter to Troy Stevens touchdown strike. The play covered 40 yards and Greer's kick upped the score to 14-0.

The Aztecs came back early in the second quarter as they moved down the field, sparked by a 33 yard pass play from Jim Teahan to Goettsche, and senior Loren Koontz ran over from the six. The two point conversion pass failed and Esperanza closed to 14-6.

On the next series of downs Sonora took two plays and Mark Kenlon finished off the drive with a 52 yard run. Greer's kick was once again good and the score was now 21-6.

Esperanza then took the kickoff and streaked down the field on two long pass plays. One was a razzle dazzle play from running back Don Stodola to quarterback Teahan and another was a Teahan bomb to Reid Crispino.

Stodola ran twice and the last was a one yard dive for a touchdown. Stodola then caught the two point conversion pass to make the score now 21-14.

Sonora came back and consumed a five minute drive and Kenlon ripped off a 39 yard run for a score. This time Greer's kick was wide right but Sonora still lead 27-14.

A desperation drive by the Aztecs at the close of the half was killed by an interception and the score remained 27-14 at half.

To open the second half the Aztecs failed to get a drive going and had to punt. But Stodola's punt was short and a personal foul penalty after the fair catch moved the Raiders into excellent field position.

Sonora needed only two plays before Kenlon ran it over from the four. Greer's kick was perfect and Sonora was in command 34-14.

The Aztecs tried another drive but Teahan's pass was intercepted at the Raider 35. Seven running plays were used and Kenlon ran it in from the seven. Greer's point after was good and Sonora held a substantial lead 41-14.

Sonora's defense once again held Esperanza and forced the Aztecs to punt. With six seconds left in the third quarter, Kenlon ran it over from the 15. Greer added the extra point to make it 48-14.

Midway in the fourth quarter Sonora put on a 55 yard scoring drive with Scott Babcock taking it over from the four. Greer's kick made it 55-14.

Esperanza finally scored after Stodola returned the kickoff to the midfield stripe. Stodola then made 22 yards on three carries and reserve quarterback Mike Reynolds capped it off with a 29 yard TD pass to Crispino. Reynolds two point conversion pass failed and the score was now 55-20.

Esperanza's record is now 6-3. Their league record ended at 3-2.

Local Man, Officer Of Foundation

P.L. Martin of Placentia, division manager of the Southern California Edison Company, has been elected secretary of the St. Joseph Hospital (Orange) Foundation for 1975-76.

Edmund B. Buster of Santa Ana, executive vice president of the Townsend Company, Cherry Rivet Division, has been elected chairman of the group.

All Star Trophy Leads

All Star Trophy remained undefeated in the Placentia Recreation Department's Slo-Pitch Softball League as they bested Old Time Inn 9-7.

Old Time Inn (2-2) took an early 7-3 lead in the third inning but All Star Trophy cut the margin to one as they scored three times in the fourth. Then in the fifth inning they scored three more runs to secure win number five without a loss.

The Master Batters (4-1) remained one game behind the leaders as they whipped Rockwell (1-3) 20-8. The Master Batters collected 19 hits led by Denny Grab and Dick Swan both who accounted for homeruns.

Chris Roberts (1-4) failed to hold onto an early 7-4 lead then lost the game in the seventh inning as Alphy's Restaurant (1-4) scored three runs to win their first game of the season 10-9. Jerry McCoy gave Cris Roberts the lead in the fifth with a two-run homerun.

Hawks Move To Playoffs

by Brian Hilderbrand

Quarterback Todd Peterson paced the Golden Hawks of El Dorado past Canyon, 38-15, by tossing three touchdown passes, kicking five point-afters', and a 45 yard field goal.

The field goal came late in the final period, and was barely good. The ball was partially blocked, hit the crossbar, then went over. The effort set a new school record, the previous record was also held by Peterson, one of 41 yards.

El Dorado gained only 210 yards total offense, but coach Glen Hastings had the second string offense in early. Canyon had 166 yards total offense.

El Dorado now moves into CIF playoffs, commencing Friday, November 21 at Bradford Stadium. Game time is 8 p.m.

The first CIF game will put El Dorado against Artesia, the number 3 team in the Suburban League, with a 4-5 record.

The Hawks got in front early and never gave up the lead, with Jim Haynie rushing up the middle for a 14 yard TD. Todd Peterson kicked the point-after to make the score 7-0.

El Dorado struck once more in the first period, as Peterson delivered a 28 yard pass to end Brian Pastor for the score. Peterson again kicked the PAT to put the Hawks out by a 14-0 lead.

Canyon came back in the second period to get on the board on a 22 yard run by David Fey. Pat Cooper stepped in and put the extra point kick through to close up the Hawks' lead, 14-7.

Shortly before the half, ED scored again on a Peterson-to-Dressel pass for a 13 yard TD. Peterson kicked the PAT to give the Hawks a 21-7 halftime lead.

The Hawks came back from the break to score on another Dressel catch, this time from 11 yards. Peterson kicked his fourth PAT to give the Hawks a 28-7 lead.

It looked as if the Hawks would score again, when Ronn Bose took a punt and ran 54 yards into the end zone. But a roughing the kicker penalty nullified the touchdown.

El Dorado scored once more in the game via a touchdown as junior tailback Jeff Hickok ran the ball in from the one yard line for the TD. Peterson kicked his fifth successful point-after to give ED a comfortable 35-7 lead.

The Comanches came back with a score of their own in the final period of play. After a sparkling reversal play that netted the Comanches 30 yards, Mark Bronson ran in the final yard for the score. A successful two point conversion by Mike Jacobs made the score 35-15.

Then Peterson kicked his spectacular field goal to make the score 38-15, a score that lasted the final minutes of the game.

Troy Wins To Gain Playoffs

BY SCOTT EMBLIDGE

CIF playoff bound Troy High School ended their regular season on a bright note Friday evening defeating Buena Park on the Coyote's home field, 20-6.

The victory left Troy's hopes of making the playoffs up to the CIF, and fortunately the decision went the Warrior's way. They will play El Modena there.

Troy's record is now 6-3 and their losses were to three formidable opponents, Santa Ana, La Habra and Santa Ana Valley. These three teams have two losses among them and are all playoff bound.

After three turnovers in six plays early in the first quarter, the Warrior's got things rolling with an interception by Gary Lenhart on the 33. After four plays and a penalty, giving Troy a first down on the 24 yard line, Mike DeCono took it in.

A two point conversion, a pass from quarterback Doug Robertson to Steve Paden, gave the Warriors an 8-0 lead with only two minutes left in the opening period.

Buena Park came back scoring on a two yard run but their conversion failed and Troy Maintained its lead, 8-6. The Robertson to Paden combination was responsible for the Warrior's next drive with Paden catching two of the three passes he grabbed during the night to tie the single season receiving mark at Troy.

DeCono scored his second TD of the night on a 3 yard run after a reception by Ron Moore, giving the Warriors the ball inside the five. Luke Johnson's extra point was wide, but the lead of 14-6 at halftime was never threatened.

DeCono gained 79 yards on 15 carries during the evening to boost his season total to 534 yards on 83 carries which computes to an excellent 6.5 yards per carry.

DeCono's backfield partner, Ron Cunningham, scored touchdown number three in the third quarter on a 20 yard run. Another missed conversion plagued the Warriors but that was the last score of the game.

Excellent pass defense by the Warriors bothered Buena Park throughout the game with great coverage by Ron Moore, Mike Wolowicz and Robertson.

Robertson had a good night on offense, completing eight of 16 for 78 yards, including four for 45 yards to tight-end Moore.

Robertson had excellent protection behind a line consisting of tackles Brad Emerson and Dennis Hickox; guards, Dennis Doyle and Dave Forsyth and center Tim Myers.

The line will need their best effort in the playoffs this Friday against El Modena if Troy hopes to stay alive.

YLLL May Be Split

The Yorba Linda Little League launched the new season with election of officers. Don Salio was named president. Heading the Women's Board as president is Judye Fussell.

At the next meeting on Monday, Dec. 2, the question of splitting the league will be discussed. Growth has been large and the league has been successful, necessitating consideration of splitting the Major League into two divisions.

Persons presently in the league or considering joining it are urged to attend the December 2 meeting and voice their opinions on the possible split.

All general meetings are held on the first Tuesday of each month in the multi-purpose room at Bernardo Yorba Junior High at 8 p.m.

Elected to serve with Salio were: Bob Lambert, interior vice president; Jerry Humphrey, exterior vice president; Doug Groot, treasurer; Norm Kuton, Little League player agent; Jim Langford, equipment manager; Marilyne Kistler, secretary; Jerry Altavilla, Senior League player agent; Lamar Saunders, Senior League vice president; Dan Bailey, field manager; Michael Ebertin, umpire-in-chief.

Stingrays Lose

The Tri-Cities Broncos bumped the Placentia/Yorba Linda JAA Stingrays from the playoffs with a 26-0 win last Saturday.

Eels Advance To Semi-Finals

In a hard fought, well played football game that was decided in overtime, the Clinic Eels became the only Placentia/Yorba Linda JAA team to survive the first round of the Orange County JAA Playoffs. They won 13-12.

Playing a determined Costa Mesa Condor team, the Eels found themselves down 12-0 late in the second period before coming to life.

This was only the third time in 10 games that the Eels have been behind, including their only loss to the Tustin Bobcats who were beaten by the Condors for the right to represent their league in the playoffs.

The first quarter of the game was played deep in the Eels territory after a fine 50 yard punt by the Condors Jon Wallace. The Eels offense finally began to click late in the second period as they scored on a 35 yard pass from Shawn Ray to Eddie Sedacca, followed by a 30 yard pass from Ray to Jeff Boehlert who carried the ball the remaining 20 yards into the end zone for the score.

With the score 12-6 in favor of the Condors, the Eels came out fighting in the second half, and completely dominated the game from that point allowing the Condors only two first downs in the whole second half.

The Eels tieing touchdown came late in the fourth period being set up on a blocked punt by Sal Beradesco. The Eels offense began their move behind the passing and hard running of Shawn Ray who scored on a 20 yard run around end.

The game ended with the score tied 12-12, and the California tie-breaker rule went into effect. In the California tie-breaker, the ball is placed on the 50 yard line, and each team has four alternating downs to advance the ball.

The team that moves the ball into the opposing teams territory is awarded one point, and declared the winner.

The Condors had the first play and advanced the ball to the Eels 46 yard line. On their first play, the Eels were offsides, the Condors refused the penalty, and the ball remained on the Eels 46 with the Condors taking possession.

They were thrown for a 6 yard loss to their own 48 and the Eels took over and attempted a pass which was incomplete.

On their third down, the Condors threw a long pass which Bryan Peters of the Eels stepped in front of on his own 40, and raced down the field 57 yards to the Condors 3 yard line. The Eels were thrown for a loss to the Condors 8 yard line.

On their last play, the Condors were pushed back to their 5 and the Eels took over. Head Coach Leo Richards decided to play it safe and had quarterback Bryan Peters fall on the ball and preserve the win. Final score: EELS 13, CONDORS 12.

The Eels advance to the semi-finals at Western High School in Stanton next Saturday against the Fountain Valley Eagles, who they defeated in the season opener 12-6.

This victory runs the Eels winning streak to 7 straight, and a 9-1 season overall. The Eels have now scored 204 points, while only allowing 50 points, and have shutout six opponents.

Valencia Team Wins League

BY CHARLES ROSPAW

Ending a victorious season with a clean slate 6-0, the Valencia cross country harriers went on to win Orange League finals (OLF) while heading for California interscholastic federation (CIF).

In the varsity race, VHS defeated league opposers Brea, Canyon, El Dorado, Esperanza, and Sonora. Eleven points separated first and second place. VHS had 36, EDHS, 47. (inverse scoring).

Although EDHS hosted the 2.0 mi. event, OLF was held at the newly-developed Carbon Canyon Regional Park last Saturday.

In order to win the varsity race, VHS had "tight grouping", as coach Don Ocana put it. Four Valencians scored in the top ten finishers. First across the line for the young team was sophomore Joey Gomez, 9:55 leading senior Francisco Flores, 10:07; freshman sensation Louis Rivera, 10:14; and the tenth man was Rick Cisneros, 10:16. Only tenths of seconds behind Cisneros was junior Jim Silva, and two seconds behind Silva was sophomore Garland Jackson, 10:18 in 12th place. Jackson closed EDHS hopes of taking OLF.

Commenting on the varsity race, Ocana said, "The team ran well, but not their best. The best is yet to come at CIF." The team was awarded a placque on which their names will be engraved. Team member Gomez, projecting into the future, stated "We're going to be good next year because we'll have five of the top seven runners returning."

Sophomore harriers, after three league meet forfeits, still managed to pull a second place rating under EDHS, and EHS in a tie. The sophomores, however, were first in the race itself. Leading the team, and taking first place as well, was Leonardo Sandoval; 10:44. Right behind Sandoval was Mike Hoeller; 10:49. Jose Garibay was 9th with 10:59.

Competing with one man short of a five-man team, the freshmen had three of the four place in the top 11. They were: John Castro; 11:26 in 6th place, Enrique Batiz, 10th with 11:33, and one second behind Batiz, Armando Rivera.

Festivities following the races included the runners throwing Ocana in the parks lake, and later the assistant coach, Mike Cummins. Also, a picnic was held in the team's honor put on by the VHS Boosters Club.

STOP Water Polo Has Wins

The Championship Age Group Water Polo Tournament began November 8-9 and Swim Team of Placentia competing at Loara High School in Anaheim came home with three of their teams winning their games.

The 10 and under age group with girls and boys beat El Monte 6 to 3 with goals scored by Saundra Oberle 2, Tony Bell 1, Barbara Caswell 1, Christine Johnson 1, David McAfee 1. Goalie was Robert Sadlak. Other team members are Doug Briney, Mark Rhone, Becky Briney, Sharon Jennings, Jody Hanna, Scott Mori, Caryn Almgren.

Twelve and under age group girls played two games. STOP won their first game against So Cal 10 to 2. STOP scorers were Nancy Sadlak 4, Ann Ryan 3, Margaret Andrews 1, Lori McAfee 1, Audrey Woolfolk 1. Goalie was Margaret Andrews. The game against Anaheim was a well fought battle with STOP winning 6 to 3. Scorers were Ann Ryan 2, Nancy Sadlak 2, Jill Ward 1, Audrey Woolfolk 1. Goalie was Margaret Andrews. Other team members are Saundra Oberle, Stacey Hanna, Sharon Jennings.

The 12 and under age group boys swam away with a 19 to 1 victory over Crescenta. Scorers were Kevin Laidlaw 6, Doug Ward 4, John Olivier 4, David Donaldson 3, Shawn Grenier 1, Chris Woolfolk 1. Goalie was Robert Ryan. STOP beat El Monte 9 to 4. Scoring for STOP were John Olivier 4, Kevin Laidlaw 2, Edwin DeFerrante 1, Doug Ward 1, Chris Woolfolk 1 with Robert Ryan as goalie. Other team members are Tony Bell, Jeff White.

The 13 and over age group girls beat Rio Hondo with a score of 7 to 3. STOP scorers were Lisa Davenport 5, Ann Cedarstrom 1, Christine Druff 1 and goalie for all games was Carol Cottrell. The team lost to SoCal by a score of 9 to 7. STOP scorers were Lisa Almgren 6, Christine Druff 1. Anaheim walked away with a 19 to 0 score. Other team members are Frances O'Neil, Cathy Sadlak, Mary Jane Caswell, Marta McCarey.

The Tournament will move to Mt. Sac for its final weekend.

Swimmers Place In Fall Classic

Two swimmers placed in their events representing the Swim Team of Placentia at the sixth Annual Lowell Fall Classic, an Orange County Swim Conference Invitational held recently.

Mike Tillman took third place in the 5 and 6 year old boys 25 yard free with a time of 18.1; fifth in 25 yard breast 29.1; and fifth in 25 yard fly 24.4.

Ann Duncan placed fifth in the 7 and 8 year old girls 25 yard fly with a time of 19.7.

Grunions Lose 12-6

The Placentia/Yorba Linda JAA Grunions, the 1974 Orange County Clinic Division champions, were upset Saturday night by a determined Fountain Valley Eagles team, 12-6.

The Grunion offense, while moving the ball in the first half, was unable to score. The Eagles grabbed a 12-0 lead.

The Grunions scored in the third period to make it 12-6 before stalling again. Late in the fourth period the Grunions moved the ball to the Eagles 27 but the final gun sounded.

The Eagles now advance to the semi-finals where they will face the P/YL Eels.

GOAL FOR BREA--Brea [white caps] player #9 got by Devin Claffey and goalie Jay Bickford to score this one late in the fourth quarter in the crucial Brea verses El Dorado water polo game Wednesday afternoon. El Dorado scored moments later to finish up 9 to 10 El Dorado. The crucial victory put El Dorado into a tie with Brea for first in the Orange League. Sonora's victory over Esperanza Friday gave them a share of the top honors, too. El Dorado players are Roy Cedarstrom [#42], Mike Sweet [#32], Devin Claffey [#30] and Eric Andrews [number not showing upper right].

Lloyd Singers Here

The David Lloyd Singers will be appearing at the Evangelical Free Church, 5320 Richfield Road, Yorba Linda, on Sunday, November 23, at 6 p.m.

The David Lloyd Singers is a choral group with instrumentation which, in a new and exciting way, presents the message of Christ. Their original stylings of both new music and old favorites have won them a place in the hearts of Southern Californians for several years.

Director and arranger of the Singers is David Lloyd Musgrove, who has brought together some of the very finest in Christian talent.

An evening with the David Lloyd Singers is not only one of entertainment, but an experience in the communication of an answer to today's need found in Christ.

The public is cordially invited to attend the concert.

COMMENTS FROM CALVARY
by R.W. CUNNINGHAM

A BRIEF HISTORY OF CALVARY BAPTIST CHURCH

THE CALVARY BAPTIST CHURCH OF YORBA LINDA was organized by its present pastor, Rev. R.W. Cunningham on November 28, 1971. Land on a main throughfare was provided in a blessed way when the church was less than six months old.

Calvary Baptist is one of the most beautiful buildings in the area. It was built almost entirely by donated labor saving thousands of dollars.

We had no organization to back us; no money and only a few people. From a human standpoint, this is an impossibility. We know that "This is the Lord's Doing, it is marvelous in our eyes."

We are not controlled or coerced by any convention, association or fellowship. We do not belong to the World Council or National Council of Churches.

Calvary Christian School has 4 openings (as of Dec. 1) in Grades Kindergarten - 7th Grade. Using L.S.I. & S.P.A. - one of the best Individualized READING Programs available

Eastside Christian

The Hallelujah Choir of Eastside Christian Church is rehearsing to present the cantata, "A Celebration of Hope" by Paul Johnson and Otis Skillings.

The presentation, scheduled for November 23rd at 6 p.m., is open to the public by invitation of Ben Merold, senior minister.

The lyrics and paraphrased scriptures present a joyful musical celebration of creation, praise, salvation and hope to begin the holiday season.

Tim Neuenschwander, minister of music at Eastside, has assembled various musical instrumentalists from the congregation to accompany the choir in the first musical to be directed by Neuenschwander since his call to Eastside in June.

Trick Is To Treat

Pathfinders of the Yorba Linda Seventh-Day Adventist Church would rather treat than trick. So during the week of Halloween they met on their usual Monday night meeting time and formed small visiting groups to go out into the Yorba Linda community and ask for donations for canned foods (and other dry packaged foods) to be given to families in the area who need assistance with food.

The Pathfinder group of 15 young people, ranging in ages from nine to 18, will make up food baskets to be distributed for Thanksgiving. Pathfinders do a variety of activities including crafts, campouts, bike-a-thons, drill teams, and nature study.

There is a vital component of spiritual values included in all the activities. Their program is centered around a philosophy that Jesus Christ is deeply concerned with and loves people-and that youth can emulate his life by becoming strong spiritually and developing skills which can be used to his glory, and to help mankind.

Circle Meetings

Monthly Circle Meetings for United Methodist women will be held at several locations on Thursday, Nov. 20 at 9:30 a.m.

The locations are: Clara Circle, home of Joan Coker, 529 Normandy, Placentia; Elaine Circle, home of Bobbie Clark, 18142 Avolinda, Yorba Linda; Helen Circle, home of Helen Cantwell, 20072 Canyon, Yorba Linda and May Circle, home of Ruth Ann Cromwell, 5301 Lakeview, Yorba Linda.

All The Ice Cream You Can Eat, And Eat, And Eat....

(Photo by Bob Caswell)

EIGHT GALLONS of ice cream disappeared in about two minutes when Cal State Fullerton students held their second annual ice cream eating contest last week. Here Placentia Baskins and Robbins outlet owner Eugene McConnell assists as Jill Liebl and Barbara Warren serve the crowd.

No Homecoming celebration would be complete without dessert, students at California State University at Fullerton decided last week, So what could be more appropriate than an ice cream eating contest in front of the campus library.

As hundreds of ice cream lovers gathered for the second annual event, rules were outlined such as no silverware used--prompting one couple to try a girl -up-on- the- boys-shoulders technique-and-put-the-ice-cream-right-into-the-mouth.

McConnells' Placentia Baskins-Robbins outlet supplied eight gallons of the 31 flavors, which came mostly in popular chocolate and cherries Romanoff. What else was at stake besides good eating, were Golden Hog Trophies for the most ice cream consumed and the best style. Place ribbons and Baskins and Robbins gift certificates and a Baskins and Robbins watch also were awarded. The Placentia Ice Cream Store and the Associated Students sponsored the event.

THE WINNERS included Mike Campbell [below] and Placentian Val Moore, who won a first place in ice cream eating style.

MISS PLACENTIA, Heidi Liebl, was a judge in the contest as participants quickly consumed all the ice cream in sight.

Noted Desert Artist Here

Noted desert artist Marj Schumacher will be the guest lecturer-demonstrator for the Placentia Art Association's November 20 meeting at 7:30 p.m. at the Back's Community Building at 201 N. Bradford Ave.

Primarily self-taught, Mrs. Schumacher paints in oil, using a unique pallette knife style and using the pallettes of the French impressionists to achieve her reputation as one of the outstanding desert painters of the west. A winner in many juried shows she also demonstrates on TV. and for conventions and art groups....

Marj also paints scenes from her travels to Portugal and Mexico and other countries and ghost towns and florals. Her "Studio in the Desert" is in Palm Springs.

This program is one of a series co-sponsored by the North Orange County Community College District and the Placentia Art Association and is open to the public at no charge. Registration cards may be signed at the meetings.

Theme of the monthly membership show to be held at the meeting will be animals or birds.

The December meeting of the Association will be on the eleventh and will be a social evening with entertainment and the admission charge being a hand made article of any sort for a gift exchange.

For further information regarding membership in the Placentia Art Association please call Beverly Lunger, 528-5468 or Shirley Sleeper, 524-2553.

Phone Aid For Seniors

A $135,000 county-wide toll-free telephone assistance service for the county's 200,000 senior citizens is now in operation.

Known as an information and referral system, the aid to the elderly is being provided by Community Referral and Information Services (CRIS), 2110 East First Street, Santa Ana, a non-profit community service organization. The contract for the system was awarded last month by the Board of Supervisors.

As additional CRIS staff is hired and more communications equipment obtained, the system eventually will be providing service during non-business hours between elderly callers and "beeper" equipped personnel trained in senior citizen problems.

CRIS will also have future capability to send field representatives to the homes of elderly callers needing further asistance, the service added.

For assistance, seniors residing at any point within Orange County should call (714) 835-4357 collect, said CRIS director, Mrs. Kathleen Hudson.

For the present, a 24-hour answering service is taking senior calls during the night, weekends and holidays. The answering service is screening calls so that medical and psychiatric emergencies can be referred for prompt intervention.

Full direct service on problems is currently being provided from 8 a.m. to 5 p.m. Monday through Friday, according to Mrs. Hudson.

CRIS has a data bank of more than 1,750 resource agencies, organizations, and individuals to work from, the director said. When multiple resources are available for the senior's problem or other conditions warrant, CRIS will counsel the caller and then make a professional judgment whether the senior or CRIS will obtain the assistance from the resource, Mrs. Hudson noted.

"We will always take the case directly to the resource if there is any doubt. But we prefer that if possible the senior make his or her own decision since our goal is to help the senior help himself," she added.

A follow-up procedure will be utilized to determine whether the senior actually received help from the resource agency, she explained.

The hiring of new CRIS personnel now in progress involves systems development, coordinator, information and referral specialist, field representative, and clerical positions.

The new system is funded by federal Title III money under the Older Americans Act of 1965.

The assistance service is free and is bi-lingual (Spanish).

Lutherans Observe Thanksgiving

An annual Thanksgiving Eve worship at the Redeemer Lutheran Church, Placentia, will be held this year on Wednesday, November 26 at 7:30 p.m., the church advises.

The Sacrament of Holy Communion and blessing of the children will be featured.

Lay speakers will tell "Why I Am Thankful to God" and Senior and Junior choirs will offer special music. Pastoral assistant to Pastor Erwin Walz, will be Paul Feeger.

City Of Hope Group Meets

Dr. James. G. Gitlin, a rheumatologist from Huntington Beach/Fountain Valley, will address members of the Lupus Chapter of Orange County, regarding the problems of having Systemic Lupus Erythematosus, at their meeting, November 20, at 7:30 p.m., at Western Federal Savings and Loan, 2233 N. Tustin, Orange.

According to Mrs. Jeff (Norma) Holland, Placentia, president of the chapter, Dr. Gitlin has recently joined the ranks of the Orange County rheumatologists who specialize or treat Lupus Erythemastosus, a serious disease of the connective tissues that affects over 500,000 Americans. Ninety per cent of the victims are young women.

Dr. Gitliln will show a movie and conduct a question and answer period following the meeting. Mrs. Holland, invites the public to attend: Lupus patients, family, friends, and those interested in learning more about the disease and the work the chapter is doing to support special Lupus reasearch being conducted by the City of Hope, Duarte.

Presently, the Chapter's primary funds are being derived from their Thrift Store at 6736 Beach Blvd., Buena Park. Members staff the store on Tuesdays through Saturdays, from 10 a.m. to 3:30 p.m.

The Thrift Store was recently re-opened and is completely stocked with new and used merchandise, including art and handiwork of members who have been busy preparing items especially for Christmas shoppers.

For further information about the Chapter's activities, call the Thrift Store at 994-4512, or write Lupus Chapter, % P.O. Box 6432, 203 Sunkist Station, Anaheim 92806, attention: Mrs. Thomas (Barbara) Geriak. Mrs. Geriak of Placentia is the group's membership chairman, and mails pertinent literature to those writing for information. She reports that since the Chapter's September membership drive, the group has received wide response from the public, and they have greatly increased their membership.

Car You Save May Be Your Own

Seven vehicles have been stolen this month alone in the City of Placentia. This brings the number of outstanding stolen (never recovered) vehicles to 34.

And more than half a million cars were stolen in the United States last year. The cost for this exceeded $250 million, most of which is passed on in increased insurance rates, Lt. Walt Pichon, Placentia Police Department reminded citizens this week.

It's not difficult to steal a car, he explains. Not when you consider that, of the cars stolen, 80 per cent were left unlocked and 40 per cent had the keys in the ignition.

If that doesn't bother you, consider the 90,000-plus vehicle collisions that occurred with stolen vehicles last year, he continues. Do everyone a favor and follow the following simple rules; the lieutenant admonishes.

Lock you car, close all windows, keep your glove compartment locked, avoid parking on dimly lit streets and don't be careless with your keys. If possible, park your car inside your garage. Do not leave it on the street overnight unless absolutely necessary.

EARLY BEEF

The first cattle in California were brought to Alto, in 1769 by Don Gaspar de Portola and Fra Junipero Serra. In 1776 the Anza expedition which settled in San Francisco brought the first large scale movement of mexican cattle into the state.

Sgt. Montano Trains

Marine Air Reserve Sergeant Ruben M. Montano, who resides on Atwood in Placentia, is undergoing two weeks of active duty training with Marine Observation Squadron 8, at the Naval Air Station in Fallon Nevada, a desert area.

The local Reservist's squadron is an element of all-Reserve Marine Aircaft Group 46, which normally is headquarted at El Toro Marine Corps Air Station, Santa Ana, training one weekend each month in the OV-10 Bronco aircraft.

The two-week desert outing allows pilots and men to put to practical military use the monthly training. The squadron, commanded by Reserve Lieutenant Colonel William Pope, is undergoing a full course in gunnery, rocket training and target spotting on the demolition ranges in the Nevada wastelands. In addition, lessons are being learned relative to desert operations and flight problems from high altitude air installations.

Organizations Schedule Art Show

The Placentia Art Association will have an art show at the Crossroads Shopping Center at Yorba Linda Boulevard and Bradford Avenue in Fullerton.

Dates for the show are November 21, 22, and 23.

The Orange and Brea Art Associations have been invited to display paintings at the show also. This may be the groups last outdoor show till Spring and a good chance to buy original paintings for Christmas presents, the organization reports.

Ten per cent of sales of members will be donated to the art association.

For further information call Joan Bone, 524-6833.

NEW HEADQUARTERS are being enjoyed by students of El Camino Real, who moved into a spacious new building last week. The larger facilities on Orangethorpe Avenue offer the students a wider range of services including a Career Guidance Center which these students are using here. The students are Mickey Sebourn and Marleen Enriquez with teacher Penni McRoberts ready to assist.

Girl Scouts Of 1444 Hold Investiture

Girl Scout Troop 1444 of Placentia held an Investiture and Rededication Ceremony at the home of their new leader Mrs. Jeanette Beauchamp. Mrs. Stella Spraggins is helping this year as Assistant Leader.

The following Fourth Grade girls received their Girl Scout pins:

Donna Beauchamp, Wendy Eaton, Terry Flores, Deanne Jenkins, Connie Kruger, Heidi Schweitzer, Keri Spraggins, Laurie Tucker, Suzanne David, Laura Halstead and Michelle Maxcy.

The following Fifth and Sixth Grade girls rededicated their services to Troop 1444 by reciting the Girl Scout Promise and the Girl Scout Laws:

Kelly Bunce, Cathy Davies, Suzanne Leverich, Dawn Plonkey, Lisa Sawyer, Annette David, Jamie Arnold, Wendy Bathgate, Wendy Cook, Christina Huard, Jane Clark, Michelle Coursey, Sharon Davies, Olga Flores, Kelly Larraway and Rene Plonkey.

At the completion of a candlelight ceremony the girls served punch and halloween cookies to their mothers and special guest Mrs. Ingrid Hansen, Service Unit Chairman.

The girls are now looking forward to their new challenge of selling calendars and are planning their first campout.

George Shimoda, D.O., of Esperanza Intercommunity Hospital, attended the American Osteopathic Association's 80th Annual Convention and Scientific Seminar held in Las Vegas November 9-13.

Some 4,000 osteopathic physicians, their wives, and guests attended the five-day postgraduate session

Radio Reaches Local Area

Richard Thompson and Jack Townsend threw a couple of switches last week that made KBPK-FM truly the non-commercial radio voice of northern Orange County.

The switching signaled FCC (Federal Communications Commission) permission to allow the station, located at the Jacob L. Calder Intermediate School in Buena Park, to increase its power and coverage.

Powered by 10 watts, KBPK is operated under FCC license by the Buena Park School District. However, trustees of both the school district and the North Orange County Community College District (NOCCD) approved a contract some three years ago allowing Fullerton College radio-television students to broadcast over the station when Calder students are not on the air.

(Calder students presently use KBPK from 11 a.m. to 3 p.m. weekdays; with Fullerton College, via remote control facilities from the campus, airing weekdays from 8 to 11 a.m. and 3 to 6 p.m.).

KBPK, at 90.1 megacycles on the FM dial, had a higher tower and a new antenna system installed this past summer, but had to wait final permission from the FCC to "go on the air" with this "boost."

A 30-foot increase of the tower from 100 foot, a four-bay instead of two-bay antenna and almost double the effective radiated power makes it possible for the educational frequency to reach out to almost all of the NOCCCD.

Thompson, Fullerton's College's radio coordinator, said that instead of a three to five-mile radius, KBPK's primary signal is reaching locations anywhere from 10 to 15 miles away.

Joined by Townsend, principal of Buena Park's Pendleton School and his district's director of instructional media, and Don DePuy, acting chairman of Fullerton College's newly organized Communications Department, Thompson is seeking the help of area residents in planning KBPK programming.

"We want to serve the people of the North Orange County Community College District as best we can," he said. "Our students are conducting a telephone survey to determine as best survey to determine what they want to hear, how much and when.

"We want the people to help us serve them better by giving us a few minutes of their time when the KBPK representative calls on them to complete the survey questionnaire."

Thompson said residents of Fullerton, Buena Park, Cypress, Anaheim, Placentia, La Habra, Santa Ana, Whittier, La Mirada, Orange, Cerritos, Norwalk, Garden Grove, Stanton, Brea, Yorba Linda, Los Alamitos and others will be included in the survey.

ALL WINNERS--Members of the Valencia Tigers Band and Drill Team, brought back three trophies from Hawthorne recently, where 20 school bands competed. A first place trophy went to Terri Nemsgern [far right], Solo Twirler and both the band and drill team won third place trophies. Others in the picture are Drum Major, Jim Short; Carol McGhehey and Sandy Slikker, Co-Captain of the drill team and Lori Williams, Drill Team Lieutenant.

Tigers Win 3 Trophies

BONNIE SCARPA

A total of three trophies were awarded to Valencia High School's Marching Band, the Tigerette Drill Team, and the Solo Majorette at the Hawthorne Band Review held this month.

The event, held in Hawthorne, attracted about 20 bands from as far away as San Diego, and was sponsored by Veterans of Foreign Wars Post Number 314.

A first place trophy went to Terri Nemsgern for Solo Twirler; the 46 member Valencia Band was awarded a third place trophy in their division; and another third place trophy was won by the Tigerette Drill Team.

Band Director Andrew Bumatay said this week, "This is a building year for the Valencia High School Marching Band." He mentioned several events the group has already participated in including the Placentia Heritage Days Parade and the Yorba Linda Fiesta Days Parade.

Upcoming in their schedule is the Santa Ana Band Review on November 28, and the Covina Parade December 6. In addition, the high stepping band and drill team will be in the South Gate Christmas Parade which will be video-taped Sunday December 14, and will be shown on Channel 13 on December 20, Saturday at 10.

The band has provided entertainment for half-time shows at Valencia's football games and are planning similar exhibitions during the basketball season.

The Tigerette Drill Team which performs with the Valencia High School Band is composed of 39 girls. Officers of the drill team are Captain Carol McGhehey, Co-Captain Sandy Slikker and Lieutenant Lori Williams. Teacher Advisor is Sheila Wilson. Their precision numbers require drill team members to practice daily, after school hours.

Also performing with the band are Drum Major Jim Short and Solo Majorette Terri Nemsgern. Captain Taina Rouse and Co-Captain Teri Lyons are leaders of the four flag carriers and ten banner carriers.

Ward On College Panel

Two men, who have been involved with community college education in Orange County for more than a decade, are serving on a California Community Colleges chancellor's advisory committee to formulate a five-year plan.

They are Felix S. LeMarinel of Anaheim and Elton W. Ward of Placentia. LeMarinel is a trustee of the North Orange County Community College District, which Ward serves as assistant chancellor and head of the division of physical plant and facilities.

The district is the only one in the state represented by two members on the California Community Colleges chancellor's advisory committee on planning. In addition to developing a five-year plan, the committee is working out a planning process for the board of governors and the chancellor's office. The five-year plan is to be used in making state-level policy and in relating needs to methods of filling them.

Most elements to be contained in the final five-year plan were summarized in a progress report presented this fall to the board of governors, according to Chuck McIntyre, who is coordinating the work of the committee. McIntyre is director of analytical studies for the state chancellor's office.

The progress report called for study of: changing the pattern from one of centrally located educational facilities to one of having more learning centers within the community; the growing trend of students attending part time instead of full time; the need for different types of courses; the non-traditional student; and education to serve the needs of adults in all their roles, not just in their career education.

Statewide, the report pointed out, seven of every 10 community college students attend only part time and at least 25 per cent of all community college students are over 30.

The North Orange County Community College District representatives on the advisory committee on planning have served with other statewide community college committees.

Larry Maxey Undergoes Surgery

Condition of Larry Maxey, president of the Placentia Jaycees, is still improved in spite of the fact he has undergone emergency gall bladder surgery, friends said this week.

Maxey, three weeks ago suffered a massive heart attack and was listed as critical. His condition improved prior to the surgery and he is now back on the road to recovery, it is reported.

The Jaycee president can have visitors and is in Room 412 at the Anaheim Memorial Hospital, friends state. He celebrated his 32nd birthday at the hospital during his recuperation.

Jobs Open For Project

The city of Placentia's Department of Social Services is seeking two part time employees, to operate a nutrition and supportive services program for senior citizens, Fred West, Director of the department said this week.

Salaries will be paid by a revenue sharing grant. The project involves a congregate feeding program to provide hot lunches on Mondays through Fridays at the Backs Community Building. The meals will be prepared and delivered by a private contractor.

In addition to meals, the program is meant to include informal counseling for the seniors in the areas of social, educational and recreational needs, West said.

Deadline to file for the positions is 5 p.m. Friday, November 21 at the Placentia Personnel Office at the Civic Center.

The first position is for a site coordinator and pays $3.25 an hour, 25 hours a week and covers mid-day hours Monday through Friday. The coordinator plans the feeding site, arranges for meals and counseling, supervises outreach workers and volunteers, attends meetings and keeps reports.

An Outreach worker will be paid $3 an hour for 20 hours a week for mid-day hours Monday through Friday. This worker seeks out and recruits eligible participants in the program, calling on homes, organizations, churches and other places, transports participants to and from the feeding site, driving a 15-passenger van; counsels participants regarding their needs and maintains records.

Spanish speaking persons are urged to apply for both positions, West stated.

EL DORADO FLAG SQUAD--Showing the colors for El Dorado High School this year are [front, left to right], Sabrina Voelker, Michelle Rosina; Donna Bucher and [back row], Sue Jackson, Sherie Cather and Sharlene Gundzik.

Office Skill Classes Open

In cooperation with La Vista High School, the North Orange County Regional Occupational Program covering this area, is offering a free training program in Office Occupations.

Women enroll in the office occupations class for a refresher course or to learn new office skills so they will be employable in the job market, says Instructor Jane Williams. To meet their needs La Vista-R.O.P. offers occupational preparation for the following positions: Clerk-Typist, File Clerk, Instructional Aide, Typist, Stenographer, Receptionist, Transcriber, Secretary, and General Office. Business machines which may be learned include: IBM Selectric Typewriter, Transcribers, Duplicator, Mimeograph, 10-key Adding Machine and Push-button Telephone.

La Vista High School is located at 909 North State College Blvd., in Fullerton. Class hours will be from 1 p.m. to 5 p.m. daily. Continuous enrollment enables people to join the program anytime. Students may select their days and hours of attendance. Residents from Fullerton, Placentia, Brea, and Yorba Linda are invited to enroll in the program. High school students are also welcome and should contact their Career Guidance Specialist or Counselor on any high school campus. Adults should attend class to enroll.

For further information, contact the R.O.P.-La Vista Office Occupations program between 1 and 5 p.m. at 992-5850.

Additional Volunteers Sought

Volunteers are being sought for the "We Care" committee at the Redeemer Lutheran Church, Placentia, the church reports.

The committee provides meals for families in which there is serious illness or has been a death in the family.

Meals include a main dish, salad, dessert.

Additional volunteers for the service are asked to contact Joy Schaeffer at 528-3323 or Dixie Riehm at 524-1009.

Stages Get Traffic Light

Operating a successful stagecoach line in the middle of a busy city, can have its hazards, so the city of Buena Park, by Knotts Berry Farm, is installing the world's first stagecoach crossing traffic light.

The dedication takes place at 10 a.m. Wednesday, November 19, with three authentic Butterfield stagecoaches, built in 1847 and 1850, participating in the event.

The stagecoach line's problems stem from the fact that Knott's Berry Farm's new Roaring 20s area is so popular it needs expansion room. This will move the stagecoach barns from outside Knott's Old Time Adventure area to the parking lot across the street on La Palma Avenue. The move necessitated the installation of the traffic signal.

The unique crossing light is activated by the stagecoach drivers by pushing a button inside the coaches.

The popular stagecoach ride, started at Knott's in 1949, has carried nearly 13 million passengers. Some two million daring "hold ups" have been reported to authorities over the past 26 years, but guests have never lost a dime, the park reports.

Knott's stagecoaches today carry more passengers in a single day than the Butterfield line carried in a year during its operations. The Farm has 35 well trained and disciplined horses, who cannot be gun shy nor fear the noises of modern day traffic.

Group Urges Fly Flag On Thanksgiving

The Placentia Junior Round Table would like to remind all residents of our community to display their flags on Thanksgiving Day, November 27.

Judi Olsen, Bicentennial Project Chairman states "We should be thankful to be able to fly our flag in this free country and should proudly do so. Hopefully, this Thanksgiving our colors will be seen all over our city."

TV Scenes To Be Filmed In Placentia

Two scenes, depicting the plight of farm workers, will be filmed in the city of Placentia by KCET, Channel 28, Public Broadcasting Service, Los Angeles.

The station has requested and received permission from the Placentia City Council, to film in Placentia for "Visions", a drama production, funded for television by the Ford Foundation.

One scene will be filmed at Santa Fe and Melrose Streets and another in the orange groves near Alta Vista or Orange Grove Roadway near the city parking lot.

A third possible location for a scene listed is the railroad crossing at Melrose Street.

The episode is entitled "El Corrido" and is an original television drama in the "Visions" series.

GANG'S ALL HERE--Lakeview Center merchants, several with members of their families and assisted by Mayor Carolyn Ewing, helping to wield scissors, gathered together at the Grand Opening of the entire Center which occurred last weekend. Special shopping values in the business places and programs of entertainment featured the two day celebration.

Local Artist Work At PUSD

Placentia Art Association president Beverly Lunger will display her paintings in a one-woman show in the Placentia Unified School District Education Center and Administrative Offices at 1301 E. Orangethorpe, for two months beginning Nov. 24.

An invitational opening will be held from 7 to 9 p.m. The paintings may be viewed by the public on weekdays from 8 a.m. to 5 p.m.

Though Mrs. Lunger enjoyed a hobby of textile painting in her youth, it was only after raising a family and her career as a real estate broker that she finally found time to join an adult education class where she found great pleasure in oil painting. She decided to continue her studies seriously.

Mrs. Lunger has studied with several private instructors, attended special workshops and is currently attending two art classes. She sincerely hopes that her one woman show will encourage other artists who are just beginning to pursue the "wonderful world of art".

Beverly has been president of the Placentia Art Association since its inception and has spent many hours during the past year working with other officers of the club and community leaders in order to make the Art Association a reality.

She resides in Placentia with her husband Clyde, a psychotherapist, and son, Randy. Another son, Greg, is married.

The Placentia Art Association will meet November 20 and December 11 at Back's Community Bldg. at 201 N. Bradford, Placentia. For further information please call 524-2553.

Zoeller Is Debate Star

Barry Zoeller, 4722 Via La Quinta, Yorba Linda, and Larry Hughes of La Puente, members of the Loyola Marymount University Debate Team, placed second in a major tournament at the University of Wyoming recently.

Zoeller, a freshman, and Hughes, a junior, placed second out of 72 teams from colleges throughout the nation. Jay Bussee, LMU Debate Coach, said Zoeller's performance was the "best ever by a freshman on his first outing."

The topic of the debate was "Should the Federal Government Establish a Comprehensive Program for the Control of Land Use in the United States."

Aztec Candy Sale

The Esperanza High School student body will be holding its first major fund raiser of the year with the sale of a three ounce bar of the "World's Finest Milk Chocolate" with almonds.

The sale will be from November 24 through December 1. In addition to the candy, purchasers will receive a coupon for a free cheeseburger with the purchase of one at Tastee Freez on Yorba Linda Blvd.

Proceeds from the fund raiser will be used for much needed extra curricular school items and activities such as athletics, band and drill team uniforms and printing of the school newspaper.

Remarrieds Will Meet

The Remarried's, Inc. general meeting will be held November 21, at 8 p.m. at Republic Federal Savings and Loan, located at 17th and Tustin in Santa Ana.

The speaker will be Bernell L. Ausmus, Associate Executive Director of the Psynetics Foundation, Inc. Ausmus has dedicated the last 35 years of his life as a student, teacher and researcher in the field of parapsychology. He will discuss mental telepathy, precognition and other topics in this area.

President Doug McConahay of Yorba Linda will preside at the meeting. Any remarried couple interested in attending this meeting or finding out more about this fast growing organization and its various activities can call 528-0537 or 544-5838.
